**Choices of the Heart (The Midwives Book #3)** Laurie Alice Eakes, 2013-01-01 Esther Cherrett comes from a proud line of midwives and was trained by her mother to take over the family calling But when a scandal threatens all she holds dear Esther takes a position as a teacher in the western mountains of Virginia instead There she finds herself in the midst of a deadly family feud and courted by two men on opposite sides of the conflict When it seems as though her past has followed her all the way into the mountains all she wants is to run away again In this gripping story of trust deception and bittersweet loss a young woman learns the true meaning of choices of the heart

**Born Still** Janet Fraser, 2020-08-04 How did we move so far from love that a mother's grief became the vehicle with which to punish her Losing a baby during childbirth is one of the most heartbreaking things imaginable To then be accused of causing that death is nothing short of soul destroying Janet Fraser's story shows what happens when private grief is turned into a public accusation against a woman who dared to exercise choice about how and where she gave birth This sobering book demonstrates the penalties dished out to women who dare to question medical orthodoxy and to make decisions for themselves about their own bodies When things go wrong in a hospital it is seen as unavoidable and no one is to blame as the medical institutions are seen as the arbiters of decision making The layers of bureaucracy protect insiders Yet if a baby dies in a home birth the full weight of the law comes down upon the woman who dared to give birth outside a hospital Janet Fraser is that woman and this is her story of injustice loss and grief This painful yet enlightening book shows that the patriarchy still wrestles for the control of women and their bodies
