Karen Davis PhD President United Poultry Concerns Author *Prisoned Chickens Poisoned Eggs: An Inside Look at the Modern Poultry Industry* *The Route 66 Cookbook* Marian Clark, 2003-03 This is the only culinary guide to what Steinbeck dubbed The Mother Road. It includes over 250 delicious time-tested recipes from places like the U Drop Inn, the Covered Wagon Trading Post, the Pig Hip, and the Bungalow Inn. It is also a nostalgic recreation of the Route 66 of the past with stories from the waitresses and cooks who poured the coffee and baked the pie. This is a gem of Americana and a treasury of comforting dishes from a time when the flavors along the road changed as dramatically as the landscape and accents as you sped across the heartland.

A Christian Approach to Overcoming Disability Elaine Leong Eng, 2012-11-12 Learn how faith and psychological insight can combine to help Christians overcome physical disabilities. After being diagnosed with retinitis pigmentosa, Dr. Elaine Leong Eng, author of *Martha Martha: How Christians Worry*, knew she had to make important life changes. This genetic disease would soon cause her eyesight to fail. Her impending blindness meant that she would no longer be able to practice as an obstetrician-gynecologist. Her family life would never be the same, nor would her self-image. *A Christian Approach to Overcoming Disability: A Doctor's Story* is the poignant and inspiring story of Dr. Eng's ultimately triumphant struggle with an untreatable illness and a life-changing disability. Once I heard the diagnosis, I knew it was God's way of granting my prayer to be a full-time mom to my babies. God had prepared my heart to accept this news. This so-called tragedy in my life was very much for the good. I had the chance to see and care for my children during those precious young years. To play with them, sing songs, teach them, feed them, and do all those wonderful mothering things that many take for granted. And now that they are grown, I can see in my mind's eye all those great images and memories I enjoyed. Motherhood so much that I would not have changed my life in any way if given the chance. This autobiographical book articulates the challenges faced by the blind and offers faith-based and psychological techniques for coping with disability. It highlights dozens of Scriptural passages that can provide an important foundation for coping and draws upon Dr. Eng's experience as a psychiatrist to identify important issues and feelings about blindness and its psychological and emotional impact on every aspect of life. In this insightful book, you'll find firsthand information about the experience of becoming disabled and about living with even celebrating that disability and the new opportunities it presents. Insight about what family, friends, students, and colleagues go through when someone close to them becomes disabled. Biblical references that demonstrate the importance of God in meeting physical challenges.

important scriptural foundations for coping practical techniques for coping with disability from both religious and psychological perspectives advice on overcoming the feeling of being damaged goods and other problems of self esteem common to the disabled A Christian Approach to Overcoming Disability will inspire you with its message of hope It offers insights about finding inner peace no matter what hand life has dealt you and making the most of whatever God has planned for your life Anyone who knows a Christian who has any type of physical disability will benefit from reading this book
