patient IS the mission on the battlefield care of casualties sustained is only PART of the mission TCCC recognizes this fact and structures its guidelines to accomplish three primary goals 1 Treat the casualty 2 Prevent additional casualties 3 Complete the mission In thinking about the management of combat casualties it is helpful to divide care into three distinct phases each with its own characteristics and limitations PUBLICATIONS COMBINED: FIELD MEDICAL SERVICE OFFICER STUDENT HANDBOOK, SERVICE TECHNICIAN HANDBOOK (THREE VERSIONS), OUTLINES, FLEET MEDICAL POCKET REFERENCE, FIELD HYGIENE & SANITATION AND MUCH MORE ,2019-03-05 Over 3 000 total pages Contents FIELD MEDICAL SERVICE OFFICER STUDENT HANDBOOK FIELD MEDICAL SERVICE TECHNICIAN STUDENT HANDBOOK Version 4 1 Block 1 Student Outlines For Version 4 1 Block 2 Student Outlines For Version 4 1 FIELD MEDICAL SERVICE TECHNICIAN STUDENT HANDBOOK Version 4 0 FIELD MEDICAL SERVICE TECHNICIAN STUDENT HANDBOOK June 2013 FMST STUDY GUIDE 2015 Fleet Medicine Pocket Reference 2016 MCRP 4 11 1D FIELD HYGIENE AND SANITATION PREVENTION AND TREATMENT OF FIELD RELATED INJURIES STUDENT HANDOUT CASUALTY EVALUATION AND EVACUATION STUDENT HANDOUT COMBAT LIFESAVER TACTICAL COMBAT CASUALTY CARE STUDENT HANDOUT Combat Lifesaver Tactical Combat Casualty Care Instructor Course Student Handbook Command Philosophy My philosophy is basic provide the highest quality service possible to every person you encounter We are an institution of higher learning we need to be the best with everything we do We are preparing the next generation of heroes for the greatest fighting force on the planet the 8404 Hospital Corpsman assigned to the United States Marine Corps They operate at the tip of the spear providing combat medicine to our operational forces they are critical to the success of the Navy ask for help before it s too late in all aspects of your life and career If you see a problem fix it or bring it to the attention of someone who can Don t ignore it Supporting each other is just as important as supporting the mission Continue the relentless pursuit of customer satisfaction feedback is a valuable tool in life and career Basic military courtesy should be a part of everyday life Always strive to do the right thing even when no one is looking or when tempted to take the easy wrong As a leader I believe all members of the team are important Our civilian shipmates are essential to the success of our mission As a military leader I believe as the Sailor creed says I proudly serve my country s Navy combat team with Honor Courage and Commitment I am committed to excellence and the fair treatment of all I cannot over emphasize the importance of leadership from E 1 to O 6 everyone has a part I expect officers to lead from the front by setting the example Be sure that regularly scheduled performance counseling sessions are conducted for military and civilian employees Cover the good which should be sustained as well as the areas which need improvement Although I like to be informed I believe in allowing leaders to lead managers to manage A big part of my job is to provide you the support systems necessary for you to accomplish your mission Tell me what you need and don t worry how it will be resourced Let me worry about that **HM Advancement**
