A. Chancy, 2005 Resistance recovery and re creation go to the heart of this novel which tells the past and present of two generations of Haitians tied both by relations of blood and by the shedding of it In the process Myriam Chancy narrates the bloody history of the last six centuries of Haiti itself from the violent years of colonialism and slavery to the chaotic aftermath of the fall of the Baby Doc regime In a society in which men in blue stick a gun to their hips and call it their life and blood runs like rainwater through the streets a family is flung apart to the point of shattering But it is Jos phe s act of remembrance of bringing to voice her grandmother cousins friends and her self that brings down the barriers of place time even death to bring the family together and to relieve each of the weight of the past they have had to bear The power of this challenging multi layered novel is in its network of narrative voices which set the poetic against the brutal to striking effect Jos phe is safe but desperately lonely in Canada her grandmother dies terrified for her family s future her cousin Alphonse flees to the USA where he hopes to escape the dark shadow cast by his father and his half brother Delphi joins the rebels and pays the heaviest price Jos phe s best friend Desir e also rebels but finds underground a community with the power to breathe vivid new life into her veins Within and behind them all stands the amazing figure of Mami C leste the mambo who has lived and died four lifetimes and whose tongue can speak the whole history of Haiti but who is also Delphi s mother Jos phe s inspiration Desir e s spiritual saviour and another

victim of the Tonton Macoutes brutality Their stories are threaded through with ancestral echoes historical connections and the powerful mysteries of voodoo rites all of which come to us through the enchanting rhythms of Haitian Creole Myriam Chancy has created a deeply important novel unique in its exploration of the harsh realities of postcolonial Haiti from a womanist perspective and remarkable because it does so with such insight sensitivity and poetry Myriam J A Chancy is a Haitian writer and scholar born in Port au Prince Haiti and raised in Quebec City and Winnipeg **Dix mille kilomètres à travers le Mexique, 1909-1910** Witold de Szyszlo, 1913 **Marcellin Berthelot, 1893, Histoire des sciences v. 2** Marcellin Berthelot, 1893 **Histoire des sciences** Marcellin Berthelot, 1893
