Male Chastity Lucy Fairbourne, 2007-07 A non-threatening female friendly introduction to the topic of male chastity ideal for nervous keyholders or as a love offering from a would-be chastened male.

Male Chastity Keyholder Guide Mistress Dede, 2015-01-08 There is a lot of variety in the world of fetish and kink with limitless possibilities for creativity in sensual play. Many people unfamiliar with this lifestyle immediately focus on the more obvious or superficial aspects like honorific nicknames or corsets and leather boots. But for people who participate in fetishes as a lifestyle, the practices and games are an essential part of their relationship with its own set of rules and standards. One particularly interesting subculture within the world of kink is that of the female keyholder and her chastised male subordinate. The phrase male chastity probably immediately spooks some men or excites others whether they are willing to admit it or not. Either attitude is amusing to the sophisticated woman with a predilection for domination and control. For submissive men, there are many benefits to a male chastity arrangement. The calculating domme will use all of her feminine charms to her advantage, establishing a system of rules meant to keep her man under lock and key. Literally. The popularity of male chastity devices has soared in recent years and although this is a taboo, it's something many people talk about behind closed doors. Conveniently hidden under clothes, male chastity devices provide necessary restriction for the man and allow his dominant complete control over his orgasms. These devices are a valuable tool for the modern dominant woman and excellent for contemporary tease and denial games. Exploring male chastity can be a fun new game for adventurous couples or a complete long-term lifestyle for kinky pairs. Whatever the relationship type, employing a male chastity device sends a clear message: he's on lockdown and she holds the key.

The Ultimate Woman's Guide to Male Chastity Mistress Dede, 2015-11-23 If you are reading this book, you are most probably a woman interested in broaching the matter of male chastity. You see, this book is all about male chastity in other words, self-control. The question is: how exactly can this male chastity thing help you and your partner's sex life? You are probably confused and you don't have to worry for you are not alone in this. This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life. You will learn what the male chastity subject is all about: the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship. At first, the idea of locking your partner's male organ in a device seems strange to you. But overtime, you will find that your partner sees this thing in an altogether new perspective, something that is attractive and quite exciting for him. To some, forceful prevention of erection and orgasm may definitely seem odd, but there are men who find it very arousing. Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact. This is because most of those writings are written by men as an outlet to let out their kinky fantasies. It is nothing more than

erotic web fantasies that are much too complicated and bizarre for many women's tastes. You are likely to get turned off by these thinking that the whole male chastity thing is not for you. However, in this book, we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light. It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner.

We present you the advantages and disadvantages of chastity and how to convince your partner to keep you chaste if you're a man. Part 2: Chastity in real life. We present you the different chastity devices: what are chastity belts, cock cages, what should you consider when buying one, and then we answer questions which will inevitably come up for chastity couples: What should I do if he wants me to unlock him? How long should I let him wait? If you want to take chastity seriously now, it's the moment. Check it out.

S. Margaret's Hymnal ,1875 **The Male Chastity Companion** Park Cannon,2025-04-05 The Male Chastity Companion isn't like any other book you've read on male chastity. It is a collection of opinionated and insightful essays written by chastity expert Park Cannon whose 20 years of experience as a chastity sub provide a unique perspective that sets this book apart from others. Chastity is a subset of BDSM that is a power exchange between a submissive and dominant. In chastity role playing the sub is restrained in a chastity device that prevents sexual stimulation and their dom holds the key to the device controlling that experience. As specific as that may sound, chastity is a remarkably versatile and adaptable kink. It is just as often a solo experience as it is one including a keyholder. The locked person doesn't always have to mean the sub. It can be enjoyed by couples that aren't interested in dom/sub power dynamics. It can be meaningful or just a fun sensual experience. The mechanics of play, the roles of those involved, the stated goal or purpose, and the symbolism or meaning you give it are all personal decisions with no right or wrong answer. To try to delineate any one true way to engage in chastity role playing would be an act of hubris and an insult to the thousands of people who have found a different way that works better for them. In that spirit, this book tries to be neither prescriptive nor complete. It discusses chastity from a unique and singular perspective and widens that perspective whenever possible, but at the end of the day, this is as much memoir as it is a reference book. The chapter titles reflect the diverse range of topics that are covered: **Weird is the New Normal**, **Comprehensive Guide to Male Chastity**, **Debunked Chastity in the Middle Ages**, **When is Chastity Not About Chastity?**, **Chastity's Female Problem**, **A Cautionary Tale of Chastity Belts and Body Scanners**, **Essential Chastity Websites**, **In Defense of the Word Faggot**, **How to Shop for a Chastity Device**, **Kinky Glossary**. With the publication of **The Male Chastity Companion**, Park Cannon has solidified his position as a leading voice in male chastity today. If you purchase just one book on male chastity this year, it should be this one. This 18,300 word, 99 page book is currently available worldwide exclusively on Amazon. [Purchase of](#)
