

LETTER OF RECOMMENDATION

To whom it may concern

It is my great pleasure to write this letter of recommendation for Mr. Greyling. I have had the pleasure of knowing Mr. Greyling for a number of years, and I can state with confidence that he is a motivated and responsible person with a high degree of integrity. I would like to take this opportunity to whole-heartedly recommend Mr. Greyling for an appointment in your organization.

At school Mr. Greyling was a dedicated student who stood out among his peers for his commitment, enthusiasm, dedication and leadership capabilities. This was confirmed by his election as Head boy in Primary School, election as member of the student board in high school, as well as obtaining 5 distinctions in grade 12.

In addition to his academic excellence, Mr. Greyling is analytical and systematic and always pays attention to detail. He further displays a responsible attitude towards areas of responsibility. In 2014, Mr. Greyling commenced with his studies in Civil Engineering at the Tshwane University of Technology and has consistently earned grades from 74 to 81 percent.

I am confident that Mr. Greyling will continue to succeed in his studies and will excel in everything he is involved with. He offers an engaging personality and has a strongly motivated devotion to his studies in Civil Engineering. As such, I expect that he will be a very positive addition to your institution.

Please feel free to contact me if you have any questions.

Sincerely,

Yolanda Engelbrecht
