

# JUNIOR CYCLE EXAMINATION

## TIMETABLE 2023

Each candidate should note carefully the dates and hours, as fixed on this official timetable, for the examinations in the subjects in which he/she intends to present himself/herself. The Commission will not be responsible for any errors which may occur in the reproduction of this timetable by outside agencies. Candidates are required to be in attendance at least half an hour before the examination begins in the subject in which they first present themselves. There are significant changes to the scheduling of the Junior Cycle examinations this year. The start time for all Junior Cycle afternoon examinations is 1.30p.m.

## Junior Cert Science Teacher Guidelines:

Teaching Chemistry Around the World Björn Risch, 2010 As teachers we often tend to expect other countries to teach chemistry in much the same way as we do but educational systems differ widely At Bielefeld University we started a project to analyse the approach to chemical education in different countries from all over the world Teaching Chemistry around the World 25 countries have participated in the project The resulting country studies are presented in this book This book may be seen as a contribution to make the structure of chemistry teaching in numerous countries more transparent and to facilitate communication between these countries Especially in the case of the school subject chemistry which is very unpopular on the one hand and occupies an exceptional position on the other hand due to its relevance to jobs and everyday life and most notably due to its importance for innovation capacity and problem solving we have to learn from each others educational systems
