Thompson, 2008 Integrating theory research and application Making the

Team 3e offers leaders managers and executives current and future the most practical up to date research on groups and teams The exciting new third edition of Making the Team A Guide for Managers combines cutting edge theory with the latest research and real world applications It delivers the most current research on groups and teams in a digestible manner An excellent resource for managers at every stage of the game the book offers insight to help both players and coaches maximize their success **Creative Conspiracy** Leigh Thompson, 2013-01-01 Embracing the Counterintuitive Side of

Collaboration Think of your to do list at work Chances are the most important tasks require you to work with others and the success of those endeavors depends on the effectiveness of your collaboration According to management expert Leigh Thompson collaboration that is conscious planned and focused on generating new ideas builds excitement and produces what she calls a creative conspiracy Teams that conspire to organize themselves motivate one another and combine their talents to meet creative challenges are the hallmark of the most successful organizations In this book Thompson reveals the keys to the kind of collaboration that allows teams to reach their full creative potential and maximize their results She also reveals a host of surprising findings for example Left to their own devices teams are less creative than individuals Providing rules to teams actually increases inventiveness Striving for quality results in less creativity than striving for quantity Fluctuating membership enhances a team s innovation Most leaders cannot articulate the four basic rules of brainstorming Thompson combines broad ranging research with real life examples to offer strategies and practices designed to help teams and their leaders capitalize on what actually works when it comes to creative collaboration Creative Conspiracy challenges managers to adopt an unconventional approach to leading teams that done right will lead to the creative success of every team and every organization **Dealstorming** Tim Sanders, 2016 The bestselling author of Love Is the Killer App unveils a

methodology that sales managers and account executives can use to solve their team s toughest problems by combining the wisdom and creativity of everyone who has a stake in the sale B2B sales reps often find that their deals get stuck at a crucial point in the decision making process This book is Tim Sanders s guide to breaking through the resistance and getting the deal unstuck using a scalable repeatable process that he calls Dealstorming By including a diverse group of individuals in the

organization who has a stake in the sale questioning existing assumptions and channeling the collective experience of the group sales teams can uncover creative solutions to closing otherwise impossible deals In Sanders s experience as a sales executive and consultant utilizing this process has led to a stunning 70 percent close ratio Take for example the way Alyssa Wichman of CareerBuilder used dealstorming to break a deadlock with staffing firm Allegis When she found out that Allegis was sponsoring a golf tournament to raise money for their favorite nonprofit she and her team sat down to come up with ways to meet the Allegis executives there going so far as to take over manning a beer cart on the course to speak with the execs on the ninth hole They were impressed she d gone to such lengths to have a few minutes with them so they agreed to a meeting the following week
