Making The Leap:

The Leap of Your Life Tommy Baker, 2019-03-26 There's a bold decision in your life you've been waiting to make and every day passing by is a reminder of what hasn't happened Conveniently tucked in a box labeled someday the fear of the unknown has taken a grip on your life and put your dreams on hold Until now Whether your leap is quitting the soul sucking job and starting your own business taking a bold chance on love or finally going all in on your dreams **The Leap of Your Life** is the ticket to get you there All while having the time of your life and ensuring you don't wake up years down the line with a sinking feeling of regret Author and high performance coach Tommy Baker has helped thousands of everyday people identify and take their leap step into courage and create a life they can't wait to wake up for After interviewing 250 of the world's most powerful entrepreneurs thought leaders experts spiritual teachers and athletes he discovered a common theme They all took a leap even if they were full of fear and it radically transformed their experience of life If you're ready to Re-define risk and stop playing small Step into the boldest version of yourself Give yourself permission to take a chance Live the Hero's Journey of your life story Eradicate regret and what could have been then look no further and order **The Leap Of Your Life** now **Demorest's Monthly Magazine** ,1891 **Kierkegaard: Concluding Unscientific Postscript** Søren

Kierkegaard, 2009-05-28 A new translation of **Concluding Unscientific Postscript** with an introduction that sets the work in its philosophical and historical contexts [Kierkegaard: Concluding Unscientific Postscript](#) ,2009-05-28 Kierkegaard's **Concluding Unscientific Postscript** is a classic of existential literature It concludes the first and richest phase of Kierkegaard's pseudonymous authorship and is the text that philosophers look to first when attempting to define Kierkegaard's own philosophy Familiar Kierkegaardian themes are introduced in the work including truth as subjectivity indirect communication the leap and the impossibility of forming a philosophical system for human existence The **Postscript** sums up the aims of the preceding pseudonymous works and opens the way to the next part of Kierkegaard's increasingly tempestuous life it can thus be seen as a cornerstone of his philosophical thought This volume offers the work in a new and accessible translation by Alastair Hannay together with an introduction that sets the work in its philosophical and historical contexts **Kierkegaard and Philosophy** Alastair Hannay, 2003-12-16 Kierkegaard and Philosophy makes many of the most important papers on Kierkegaard available in one place for the first time These seventeen essays written over a period of over twenty years have all been substantially revised or specially prepared for this collection with a new introduction by the author In the first part Alastair Hannay concentrates on Kierkegaard's central philosophical writings offering closely text based accounts of the silent concepts Kierkegaard uses The second part shows the relevance of other thinkers treatments of shared themes pointing out where they differ from Kierkegaard The concluding chapter provides a reason Kierkegaard himself would give for disagreeing with those who claim his texts are infinitely interpretable Written by the world's foremost Kierkegaard scholar and translator Kierkegaard and Philosophy is an indispensable resource for all students of Kierkegaard's work
