[as a Fitness Professional](#) Gervasio Da Gloria, 2011-11-28. If freedom is your goal, don't lose sight of it. Money management is the area that concerns fitness professionals the most and the area on which they focus the least. It's the subject that causes the most distress. There is no reason why you should have to work frantically all your life. You can work smart, work less and earn more money. Discover the Secret: Making money as a fitness professional offers an insight which will aid fitness professionals in creating a system that enables you to learn how to manage your money, how to invest that money and how to make it work for you instead of you working for money. This book covers many aspects of the business of personal trainers ranging from how to change your behaviour about money, your money personality, how to design an effective system so that you can earn money even when you are not working. It also explores the benefits of becoming financially literate, how to set up your price and present it effectively, determine how many sessions you need to sell in order to stay in business, how much income tax do you pay as well as National Insurance Contribution and much more. **How To Make Money Fast, When You Can't**
