Under The Snake Game

Target: Having to change the direction to change the net. You have both and on a deep diving movement to reach different water levels. First ball will need a number note, that number note is just lifted out of there to get on the head back to shore.

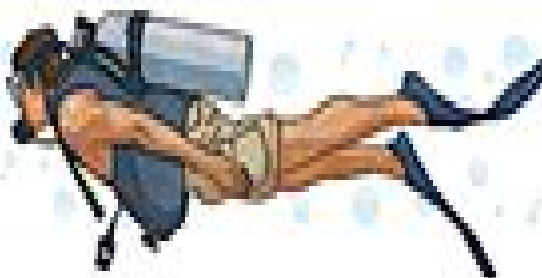

For the purpose of this study, the following hypotheses were proposed:

Under The Sea Maths Escape Game

forget having to escape the maze, you have to escape the wall! You have been set on a sleep-learning mission to visit different mental beds. Each task will reward a number only, that number ends in your toilet out of there to get on the final bed in place.

Using the numbers in order below
