Making Good Habits, Breaking Bad Habits Joyce Meyer, 2013-04-02 Nearly everything we do in life is the result of our habits. The good ones bring peace, joy, and power into our lives, and the bad ones steal our peace and joy and prevent our success. In this book, Joyce Meyer explains how to develop good habits, the things you really want to do, and break the bad ones, putting an end to frustration, discouragement, and stress that drains your energy. The most important habit comes first: the God habit. Next comes a willingness to work for the results you want. Joyce reminds us that if we don't pay the price for freedom, we will end up paying the price for bondage. Next comes the power of our words. Our words and the thoughts that propel them have tremendous power over our actions, and repeated actions are the basis of our habits. There are eleven more habits that Joyce discusses in depth, including the habits of happiness, faith, excellence, responsibility, generosity, discipline, decisiveness, and confidence. Choose one area and begin, she urges. Don't feel overwhelmed by all the changes that are needed. One thing at a time, one day at a time, is the best plan. Celebrate every day of success, and when you make mistakes, shake off the disappointment and keep going forward. You can transform your life one habit at a time.

**Making Good Habits, Breaking Bad Habits** Joyce Meyer, 2014-04-10 From nail biting to cell phone addiction, procrastination to overspending, bad habits seem to outnumber the good ones. Unfortunately, we pay a price for bad habits that outweighs the immediate gratification that they bring. Experts say that at least 40% of what we do is solely the result of habit, which is why it is so important to make good habits and break bad ones. In this book, Joyce Meyer starts by examining the nature of habits.

**The Awakening Revealed!** IM Dlamini, 2015-05-27 The concept of spiritual awakening is artistically exposed through real-life events and stories. The book captures various aspects of what a spiritual awakening journey entails. The reader is invited to go on a journey of discovery and inspiration as the concept is unpacked through stages, steps, progress, lessons, challenges, ups and downs, excitement, and some very trying times. Synonymous with the Israelites' pilgrimage journey through the wilderness to the Promised Land, a spiritual awakening journey is traced through using interesting principles and insights. Applying logical reasoning, experience, and faith at the same time, IM Dlamini paints an interesting exposition of what is regarded as a spiritual awakening journey.
