Longstaff,2019-12-29 IMPORTANT NOTE This is the same story that was previously published simply as Dickgirl Conquest I decided that since it references the events of the the Futa World Series however that it properly belongs as part of that series Joe was just getting tired of his fussy girlfriend when he met a mysterious woman at a coffee shop She was everything he d ever dreamed of Gorgeous funny easy going she swept him off his feet with her personality and graceful feminine style When she tells him her BIG secret he s too enamored of her to resist But can his male ego survive a woman who has so much more down below than he does A stand alone story set in the same fictional universe of the Futa World stories In those stories an experimental drug designed to increase female sex drive accidentally turned over one hundred college students into incredibly well endowed dickgirls Features a beautiful hung futa taking the top role in the bedroom with a curious handsome young man The endowment depicted by the futanari character is fantasy rather than realistic but if super sized futanari 16 or so is your cup by all means drink deep [Futa's Passionate Plans \(the Futanari Chronicles 4\)](#)

touch without human comfort of any kind After her grandparents died it had only been her and her mother in the big farmhouse Sandra Sinclair had never forgiven God or her daughter for the cruel trick fate had played on her and while she made sure her only child was properly fed and clothed that was where her sense of duty ended She certainly didn't give Jaqueline Sinclair any affection either with her voice or her body There were no good bye hugs when she got on the school bus in the morning no kisses goodnight when she went to bed Only cold tight lipped silence Which made her nights with Danielle even more treasured The woman bathed her in affection and she wallowed in it like a cat in the sun Her arms around her held her snug and she shifted closer their legs twining lazily Even her breath soft and slow and steady in her ear was a source of comfort for a woman who had ceased to believe that anyone would love her for who she was But Danielle it seemed had something more than simple snuggling on her mind Her hands began to roam up and down her body cupping her breasts and then moving down to her sides The tiny hairs on her arms stood up as she shivered beginning to feel the first stirrings of desire deep within her body In her jeans her shaft twitched Her eyes pooled with tears but she blinked them away She wasn't sad She was happy Overjoyed What were the odds That this beautiful elegant woman self confident and sexy as hell would fall for her It would be unlikely enough if her body was normal Not many women after all were lesbians drawn to their own gender Or even bisexual for that matter But when you combined it with the fact that she was a genetic freak cursed to have both male and female genitalia that possibility moved from unlikely to are you freaking kidding me But Danielle loved her Loved her and wanted her with a fierce desire so intense it almost frightened her sometimes During her more introspective moments Jackie thought her lover's passion for her was less of a desire than a need And anyway the sex made her feel really really good
