**Mums on Strike** Laura Kemp, 2014-01-16 From the author of *Mums Like Us* comes a fun witty novel about what it's like when an ordinary mum has had enough Perfect for fans of *Pedigree Mum* and *The Mummyfesto* It was just a squashed grape on the kitchen floor Hardly a reason to get upset right But six years of motherhood has left Lisa Stratton feeling like a skivvy Every morning before she's opened her eyes she starts her mental inventory of jobs to do And just like yesterday the day before and every day since she became a mum she's woken up knackered So when her husband deliberately steps over the grape because it's her responsibility to run the house it tips her over the edge He wasn't always like this they used to share everything Then the kids came along and he saw it as an excuse to sit back But this time things are going to change Lisa has made a decision She's going on strike

**When Mommy Went on Strike** Jaime Sewell, 2010-05 One mother becomes so tired and frustrated with her children and their lack of motivation to clean up after themselves After repeated attempts of asking them to help out doesn't work she decides to go on strike and not clean a single thing Soon the house is a mess and nothing is getting done Find out if mom's strike helps her family learn the value of teamwork and helping out

New Documentary Stella Bruzzi, 2006-09-27 Praise for *New Documentary* It's refreshing to find a book that cuts through the tired old debates that have surrounded documentary film and television It heralds a welcome new approach Sight and Sound Documentary practice changes so fast that books on the subject are often out of date before they are published Bruzzi's achievement is to have understood the genre as an activity based on performance rather than observation This is a fresh perspective which illuminates the fundamental shifts that will continue to take place in the genre as it enters its second century John Ellis Professor of Media Arts Royal Holloway University of London *New Documentary* provides a contemporary look at documentary and fresh and challenging ways of theorising the non-fiction film As engaging as the original this second edition features thorough updates to the existing chapters as well as a brand new chapter on contemporary cinema release documentaries This new edition includes Contemporary films such as *Capturing the Friedmans* *tre et avoir* *Fahrenheit 9/11* *The Fog of War* and *Touching the Void* as well as more canonical texts such as *Hoop Dreams* and *Shoah* Additional interviews with influential practitioners such as director Michael Apted and producer Stephen Lambert A comprehensively revised discussion of modern observational documentary including docusoaps reality television and formatted documentaries The work of documentary filmmakers such as Nicholas Barker Errol Morris Nick Broomfield Molly Dineen and Michael Moore and the work of Avant Garde filmmakers such as Chris Marker and Patrick Keiller Gender identity queer theory performance race and spectatorship Bruzzi shows how theories of documentary filmmaking can be applied to contemporary texts and genres and discusses the relationship between recent innovative examples of the genre and the more established canon of documentary
