complete and happy and whole and he's tried not to be bitter over the fact that he still hasn't found his mate. It hasn't been for lack of trying either. With his skill on the battlefield, he's highly sought after by the females of his kind and other kinds as well, but there has never been that spark. When he's chosen to accompany the princess of their people to Earth, he thinks nothing of it. It'll be a good distraction from things that aren't going the way he wants them to, if anything. Certainly, he doesn't anticipate any kind of foul plot afoot with consequences that reach far beyond their own kind. He definitely doesn't expect to meet Katlyn Pierce, bartender by night, student by day, with her sharp eyes and sharper tongue. By the end of his escort duty, Atlas is honestly not sure which is more surprising: that he's fighting his own people to save a planet he barely understands or that he's fairly sure he's found the other half of his soul. But the princess isn't above exploiting his newfound connection, and Atlas just might find himself fighting to save his mate as well as the rest of the world. *Abducted* Evangeline

Anderson, 2016-05-14 Zoe McKinley has a boring life, an awful job, and a boss that throws staplers at her head. What could be worse? How about being abducted by Aliens? When Zoe is dragged aboard an extraterrestrial ship, she thinks she's been chosen as a concubine by the huge, red-skinned male with horns and a devilish grin, because he has a hard on for Earth girls. But Sarden has worse plans for her: he wants to trade her to an alien petting zoo. Can Zoe convince him she's worth saving? And can Sarden keep from falling for the little Earth girl with the sassy attitude and the lush, plus-sized curves? You'll have to read *Abducted*, book one in the *Alien Mate Index* series, to find out. *Chosen by the Alien: Sci-Fi Alien Romance* Jayne

Ripley, 2020-12-05 She takes one desperate chance to find freedom in submission and power in love. Katya Solis is an engineer on Argos Station. She spends her workdays on dangerous spacewalks, repairing the huge orbital station and working alone in the void of space. Yet her love life is the opposite of exciting. Or dangerous. Or anything really. So when the chance comes to supercharge it, she throws caution to the wind. The offer is simple: Become a chiyon, a willing sexual partner in which submission is the path to the highest pleasure to an alien lover, and he will give her the experience of a lifetime. Only the alien she meets is far beyond her wildest expectations. She is chosen by Darval D'Verik, a wealthy and powerful graxon with a perfect body and a kiss that rocks her world. She fears he is too far out of her league. But she can't deny that the heat between them is scorching, the loveplay beyond satisfying, and being Darval's chiyon is everything she ever dared to dream. Yet there are those on Argos who hate the love between a human and an alien and will do anything to drive them apart forever. Darval D'Verik lives in the most luxurious district on Argos. He has everything he could ever want. Except a female worthy of his skills in the bedchamber and a mate worthy of his love. That may be arrogant, but Darval isn't about wasting time, and he can back up his every promise. When the pretty human female responds to his call for a chiyon, he's immediately fascinated and chooses her. Katya's responsive body is a wonder he delights in exploring. The longer he is around her, the more he comes to believe he has found the mate he seeks. But while Katya eagerly submits in the bedroom, her bouts of feistiness and self-doubt complicate things, and he is a male used to getting whatever he wishes. He soon learns that it might

not be Katya who ends what is turning out to be the most intense romantic entanglement of his existence It might be his fellow graxon the ones who hate him for daring to choose a human mate Reader note contains hot alpha aliens spicy SF Romance elements and a happily ever after **Alien Mate 2** Eve Langlais,2016-04-01 Lex s ancestors have chosen a mate for him there s only one problem She s not the earthling he wants Maya s been raised to believe in extra terrestrials and when she saves ones from drowning she can t resist taking him home and into her bed When this curvy Latina learns of his mission to collect his mate she decides to help him even as she wishes she could be the chosen one Lex s mission to collect his mate has been fraught with difficulties and to add even more trouble to the mix he finds himself attracted to the wrong earthling Things get complicated in New Mexico for the military s on the hunt for an ET Maya s determined to do what s right and Lex finds himself in the biggest battle of all the one between his heart and his honor *The Alien's Mate*
