Second Chance For The Billionaire Alice Moore, 2020-07-21. Roark Time was a funny thing, but it was a nightmare when I didn't have it. Losing my memories of one of the worst relationships of my life was a blessing in disguise. A year and a half is long time to piece together most of my adult life, but I managed. Barely. But then she came into my life, and I discovered what it's like for a woman to really love me. She made our relationship fun yet intense, exciting yet resigned. We were destined to be together even as life threatened to pull us apart. A chance meeting brought us together again, and I learned the true nature of a marriage without a ring. Ally. Being a teacher wasn't easy, and it was even worse when I only took the job for the money. I didn't want to work with rich stuck-up girls that would never grow because they were weighed down with too much money. I didn't want to be stuck waiting for someone that came in and out of my life like a bolt of lightning. And yet that's what I found myself doing. When he walked into my classroom, I knew instantly that my life was going to jump back on track. He accepted my childish faults and even sat through sappy animated movies to give me a shoulder to cry on. Fate was a fickle thing, tearing us apart when we had only just come together. This time I wasn't going to lose my chance to have him. *Second Chance For The Billionaire* is a 44,000 words Billionaire Second Chance Secret Baby Romance novel. A Happy Ever After standalone with NO cheating and No cliffhanger. Dare To Give Love A Second Chance with this New Release by Alice Moore.
