Maxwell Prince, 2015 Two thousand years after he betrayed Messiah Judas Iscariot is still alive wandering a world he doesn't recognize A world where the strangest of fictions have come true monsters immortals gnome librarians who monitor human history they're all real And all Judas wants to do is kill himself So why can't he The most transcendent story of the year is here in this all new original graphic novel chronicling history's preeminent backstabber and his quest for suicide Amazon.com *Judas: the Last Days* Mikey Neumann, 2016 **The Suffering Saviour: or, meditations on the last days of Christ upon earth. Translated ... by S. Siegel, 2016 Abstract The following report is on the point of view conceptualization and evolution in its final execution of the lighting design by Elisheva S Siegel for California State University Long Beach Theatre Department 2015

University Player production of The Last Days of Judas Iscariot by Stephen Adly Guirgis It is submitted in partial fulfillment for completion of the Master of Fine Arts degree in Lighting Design I believe that the core of this story is about challenging what we know is to be true Furthermore to physicalize the break down of these philosophical walls throughout the court proceedings against Judas Iscariot a grid of severe lighting angles was employed This grid evolved from extreme isolation to a blur as these black and white lines of moral principles becomes grey Other visual metaphors include personifying Judas despair a contrasting atmosphere for the Past and propelling into another dimension during Pilate testimony *Life of Christ* Giovanni Papini,1923 An international bestseller at its original publication in 1921 this biography of Christ remains the most widely read work of author Giovanni Papini also known for his openly anti Semitic pro fascist stance as well as his scandalous speculation that Jesus and John the Apostle had a homosexual relationship **The English life of Jesus, by Thomas Scott** George William Cox,1872 **Round Trip to Emmaus** Paul Petrus,2019-08-28 The story introduces courageous women who believed that because the first contacts of the Messiah were with women Jesus liberated women from brutal submissiveness in the first century Yet this viewpoint could still be applicable for religious women in our twenty first century This theory could be also acceptable to women involved in Christian communities and churches who believe they deserve to be elevated to be men s equals Paul Petrus is the pseudonym of the writer who retired as an Editor at Large and columnist for international media The position and views of women during the first century and the life of Jesus enthused the writing of this novel **The Last Days of Jesus, and Other Poems** Sophia Louisa Little,1877 *The Sewanee Review* ,1908 **Christ Killers** Jeremy Cohen,2007 In this first book to focus on the myth that the Jews were responsible directly and indirectly for the death of Jesus Christ Cohen explores the fascinating career of this myth as he tracks the image of the Jew as the murderer of the messiah and God from its origins to its most recent expressions 30 halftones **Travel and Exploration** Samuel Carter Gilmour,Eustace Alfred Reynolds-Ball,1909 **Saint Mark's Life of Jesus** Andrew Sledd,1927 **The Tower of David** Elma Ehrlich Levinger,1924
