De Smith's Judicial Review of Administrative Action Stanley A. De Smith, John Maxwell Evans, 1980 *Leading Works in Public Law* Patrick O'Brien, Ben Yong, 2024-10-08 This book brings together a group of leading scholars working in public law and constitutional theory. It examines accepted leading works of public law while also exploring those that deserve greater attention. Over 13 chapters a group of leading public law experts each examine one leading work from the UK public law canon. Each chapter critically reflects on the context of a work in public law taking into account not just the work and its context but also how it shapes and contributes to the broader discipline. The final chapter offers an international overview of the chapters themselves reflecting critically on the scholarly canon of UK public law from the perspective of American constitutional scholarship.
