Medical School Diversity Essay:

The Complete MD/PhD Applicant Guide Jonathan Sussman, Jordan Setayesh, Amitej Venapally, 2020-09-22 This book is a student reference guide book for the MD PhD application process It begins with an overview of the structure of a typical MD PhD program as well as student outcomes and career choices of MD PhD graduates Next is an outline of the academic and extracurricular prerequisites as well as the basic components of the application itself The authors then address the factors that MD PhD students should consider when selecting schools to which to apply Continuing to the main application examples are provided of all the different essay types that MD PhD applicants will encounter along with comments on how to address the deliberately vague and abstract prompts while tailoring the responses to the combined degree program Most uniquely included is a very detailed explanation of the many types of interviews that applicants will encounter and how to prepare for them by integrating extensive personal experience and first hand discussions with MD PhD program leaders Lastly there will be a discussion on how to cope with the year long timeline that constitutes this application process and provide guidance regarding properly responding to acceptances and waitlist offers Written by a team of authors each experienced with the MD PhD application this book aids the prospective applicant with navigating this challenging process

Diversity and Inclusion on Campus Rachelle Winkle-Wagner, Angela M. Locks, 2013-09-05 As scholars and practitioners in higher education attempt to embrace and lead diversity efforts it is imperative that they have an understanding of the issues that affect historically underrepresented students Using an intersectional approach that connects the categories of race class and gender Diversity and Inclusion on Campus comprehensively covers the range of college experiences from gaining access to higher education to successfully persisting through degree programs Authors Winkle Wagner and Locks bridge research theory and practice related to the

ways that peers faculty administrators and institutions can and do influence racially and ethnically underrepresented students experiences This book is an invaluable resource for future and current higher education and student affairs practitioners working toward full inclusion and participation for all students in higher education Special features Chapter Case Studies cases written by on the ground practitioners help readers make meaningful connections between theory research and practice Coverage of Theory and Research each chapter provides a systematic treatment of the literature and research related to underrepresented students experiences of getting into college getting through college and getting out of college Discussion Questions questions encourage practitioners and researchers to explore concepts in more depth consider best practices and make connections to their own contexts
