- (2) will work with physician groups and other key stakeholder organizations such as the American Bar Association and the Legal Services Corporation to (a) educate physicians on the impact of unmet legal needs on the health of patients; (b) will provide physicians with information on screening for such unmet legal needs in their patients; and (c) provide physicians, hospitals and health centers with information on establishing a Medical-Legal Partnership; and
- (3) will create a model medical-legal partnership agreement for physicians to utilize as guidance when entering into such an agreement. (2007 Res. 15, A-125)

## AAP Resolution Supporting MLP

Whereas the American Bar Association recently passed a resolution "That the American Bar Association encourages lawyers, law firms, legal services agencies, law schools and bar associations to form medical legal partnerships with hospitals, community health care providers and social service organizations to help identify and resolve diverse legal issues that affect patients' health and well-being"; therefore be it

**RESOLVED**, that the Academy promote "medical legal partnerships," in which lawyers work with members to identify and resolve legal issues affecting the health and well-being of children.
