Chapter 4, Section 1.1, Form CMS-405 - Home Health Certification and Plan of Care Data, identifies the use of Form CMS-405 (the plan of care form) to that of CMS requirement. However, Home Health Agencies (HHAs) must have all required parts of their data submissions contained in a timely submission; however, within the medical record.

Chapter 4, Section 1.2, Addendum to Form CMS-405 Plan of Care, provides HHAs that document to use a professional submission for the plan of care when needed or any other format agreed and dated by the physician.

Chapter 4, Section 1.3, Medical Review of Home Health Claims, instructs contractors to notify providers that they have 30 days to submit medical records for MRP purposes, but if the submission is not received within 30 days, to make a MR determination based on available documentation. This section instructs contractors that they cannot expect that claims or review the claim to the provider when medical records are not submitted by the provider.

Chapter 4, Section 1.4.1, General, instructs contractors that when they establish that the appropriate most Medicare coverage determinations and rules follow appropriately, it may not be necessary to conduct review of that appeal. In practice, contractors sent to Contract MRP are also required to assign payment (R-AP).

Chapter 4, Section 1.4.2, Types of Review, defines per-claim and per-claim review. It instructs contractors to target MR primarily to a per-claim targeted basis.

Chapter 4, Section 1.4.3, MR Process, should be consulted after evaluating general review specific billing issues.
