book both for those who already know of Medjugorje and those who have never heard about the village or the alleged apparitions which have been happening there for over forty years. The village of Medjugorje has seen millions of visitors pass through since the apparitions first began in 1981. The people who share their testimonies with the reader range from a recovering heroin addict to a wealthy businessman. Singer Daniel O'Donnell, TV presenter Mary Kennedy, radio host Shaun Doherty and renowned composer, singer and songwriter Liam Lawton are also amongst the contributors.

MEDJUGORJE WHAT IT MEANS TO ME is a book where the reader can vividly see evidence through the lives of others that God truly does exist. Louise Hall, Editor. **The Message of Medjugorje** Mark I. Miravalle, 1986. Through concise theological analyses, this book demonstrates that the messages reported by seven Yugoslavian youths from Medjugorje and attributed to the Blessed Virgin Mary represent an authentic embodiment of Catholic doctrine. The contents of the Medjugorjian message are also said to represent a post-Conciliar formulation of the approved Marian messages.

The Best of "The Spirit of Medjugorje" June Klins, 2007-09-24. In 1981, a beautiful lady appeared to 6 young people in the village of Medjugorje in what is now Bosnia Herzegovina. She told them that She was the Blessed Virgin Mary, the Queen of Peace, and came with a message of peace. She has continued to appear since 1981 to give messages to the world of peace, love and joy. She is confiding ten secrets to each visionary; some are chastisements for the world and promises to leave a visible sign at the place of the apparitions in Medjugorje for all humanity. This time, this period of grace is for conversion and deepening faith. After the visible sign, those living will have little time for conversion. Many books have been written about Medjugorje, but this one and Volume I of this series are different. They both include not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of those who have been healed and changed through Medjugorje, as well as advice written from the heart on how to live the messages. This book is for EVERYONE, all Our Lady's children, Catholic and non-Catholic. If you have not heard about Medjugorje, it will tell you everything you need to know. If you have been following the messages of Medjugorje or have been one of the millions of people blessed to have been there, this book will light your fire all over again. I desire to lead you all on the way of holiness. Live my messages and put into life every word that I am giving you. May they be precious to you because they come from Heaven. Our Lady of Medjugorje 6/25/02.

MY TIME IN MEDJUGORJE THE VIRGIN MARY IS PRESENT IN MY LIFE G.P. Mariano Stefani's, 2021-11-03. Gentlemen, Good morning. I wanted to make sixteen pilgrimages to Medjugorje. I went two or three times a year since 2007, now with the pandemic you can't go, but I'm looking forward to returning. I describe in particular two greetings from the Virgin Mary which she gave me, addressed only to me. I pray in my own way, never for me. I do not demand, I ask thanks for my children. My work serves to do apostolate. The Celestial Mother, in her thousands of messages given to the visionaries, she always urges us: we can all do it, be witnesses. I tasted my experiences and being in that place is a healing of the soul, the brain, you feel His constant presence. I urge everyone to take part in that magical place; you will find inner peace. This happens to me and to millions of pilgrims. Thanks.

happy reading G P Mariano Stefani's **Medjugorje And Me** Louise Hall, 2023-10-18 Medjugorje and Me is the second book of testimonies from people from all over the world about their experiences of Medjugorje. It is a sequel to Medjugorje what it means to me Magnus MacFarlane Barrow CEO of Mary's Meals and winner of the 2010 CNN Ordinary Heroes Siobhan Mhic Craith daughter of famous Irish musician Liam Clancy award winning BBC journalist Chris Rogers and Milona von Habsburg Archduchess of Austria are among the noteworthy names sharing their experiences. We also hear the stories of Mark Lenaghan an ex IRA member who credits Medjugorje for his conversion and Sr Colette Mother Abbess with the Poor Clares who discovered her vocation in Medjugorje. Mother Mary Comes to Me Dennis Muth, 2013-05-16 Like so many other curious young adults after college I felt the impulse to abandon the religious roots of my youth. During a summer backpacking excursion in Europe I was called to a destination not previously on my itinerary. Medjugorje spoke to me in a wondrous way and over the next several years prompted me to take another look at where I had come from and where I was going. Spiritually awakened I felt as if I had come back home. Having a much clearer understanding of what I possessed I accepted this call with a deeper faith and love that didn't exist before. That call also came with a serious message and I became its messenger. This is my message. Back cover

Two Patients John Bruchalski, 2022-09-01 After a terrible misjudgment in the delivery room Dr John Bruchalski realized that with every pregnant woman he attends there are two patients the mother and her unborn child. In addition to this discovery two remarkable spiritual experiences deepened his understanding of the kind of man he had become and the one he was called to be. Two Patients is the story of how a physician who practiced abortion came to question the medical status quo and to pioneer an approach to reproductive medicine that respects female fertility honors the dignity of unborn children and offers care to patients regardless of their financial situation. Such health care writes Dr John Bruchalski is merciful medicine and his memoir gives a glimpse of just how merciful the relationship between a doctor and his two patients mother and child can be.

Medjugorje: What It Means to Me Louise Hall Editor, 2017-11 Medjugorje what it means to me is a collection of testimonies from Irish people some well known some not so well known about how they first came to find

out about the village of Medjugorje in Bosnia Herzegovina The deeply personal stories detail how they found themselves visiting the holy place their experiences and encounters with God whilst there and the impact it has had on their lives today The village of Medjugorje has seen over forty million visitors pass through since the apparitions first began in 1981 The people who have opened their hearts to share their testimonies with the reader range from a recovering heroin addict to a wealthy businessman Singer Daniel O Donnell RTE presenter Mary Kennedy Radio host Shaun Doherty and world renowned singer songwriter Liam Lawton are also amongst the contributors Medjugorje what it means to me is a book where the reader can vividly see evidence through the lives of others that God truly does exist In Our Darkest Hour - Morning Star Over America William L. Roth, Jr., Timothy Parsons-Heather, 1999 Since February 22 1991 the Virgin Mary has blessed the authors with almost daily intercessions This edition is the first half of a 1 600 page diary kept by the authors of their supernatural experiences and prophetic messages **SEIZED BY GRACE** Larissa Kay Ellis, 2024-01-09 This book defies categorization Although written from Catholic perspective these stories of God showing up are eminently readable by anyone of any faith including those on the fence about God Her life story is her God story but to call it purely a memoir or an autobiography would be inaccurate It is too remarkable In the end the book is about God and His presence in a life and what can happen when a soul cooperates The stories are engaging often intensely personal drawing souls into the moment and opening windows for God's light to shine in illuminating a personal story within the reader perhaps long forgotten and instigating a new conversation with God **Medjugorje, the Secrets Revealed.** Gino Pitaro, 2021-10-07 For several years I had been planning to write a book about Medjugorje and the Secrets of Medjugorje but I hesitated to do so Usually when you have a strong urge to write you indulge especially those who like me until now usually write fiction books like me but I postponed I wanted to address this topic and at the same time I was running away from it One day Padre Pio appeared to me in a dream and told me So Guagli Do we want to write this book or not And I answered him It's OK Father but then to whom do I propose it His gaze became sharp acute as if he wanted to read inside me inside my inner feelings What you want to make known you can make known you choose the way Now far from wanting to see in this a divine imperative the anointing of the Lord I simply took this dream as a good omen as an incentive to want to convey what I know what I have accumulated in my core on this subject including the doubts and reservations of friends but also and above all to share the treasures that are available to all and give an answer to certain doubts and concerns I have always known that these remain dead letters and since the answer was often and is still close to our hands but it was not written anywhere I felt almost obliged to write this essay However I do not want to make any demands but that the reader creates his own conscience assimilates what I write and then elaborates freely I chose to publish it in this way on certain platforms because I believe that even the most sincere and profound books on the subject of Marian Apparitions La Salette Lourdes Fatima Medjugorje and much more are affected by convenience and opportunity I needed to write about these topics in absolute freedom without being bound to any

scheme to any file where you check alternative boxes to the others Not that I had to propose some bizarre things but if it is true that the truth makes free that the truth manifests its radiant beauty perhaps in a gradual way it is also true that to do so it is necessary to have freedom the possibility and in case also the courage to reveal it The truth brings with it inconveniences even if its fruits are luxuriant which is why Sister Lucy revealing the Secrets of Fatima always had an attitude suspended between obedience silence and irrepressible impulse Prophecy truth and knowledge burn within the mystical soul and demand that they be revealed in all their magnificence Our Lady has a clear plan for the life of the living for our planet it is necessary that more people really know what future awaits us what challenges lie ahead in the immediate horizon We are living particular but also exciting times and this is therefore a circumstance a fortune and a misfortune in some ways We are and will be pioneers of a new world In the essay which is also a guide to the new times my wish is that everyone can find ideas reflections but above all even a clear and concrete information that can be a path to follow with both your heart and your mind In fact then I had many things to say to express to reveal At a certain point all this made a critical mass and I found it burning inside me like a torch or in other words I had to empty that sack that I was carrying on me because humanity must know or rather a part of the people to whom this book can say a lot or a little must know our times and those that are at the gates as they really will be to the extent that we are allowed Christian culture does not have a cryptic connotation but demands that everything has to be in the public domain therefore emerging from the shadows Of course sometimes with reasons of opportunity that mark the timing but there is nothing that is or that exists that should not be revealed Is with this anxiety of the heart as those of who wants to communicate a new discovery to the world that I invite you to read this book

Heart of the Message of Medjugorje Mark I. Miravalle, 1988 This book recounts the message of Medjugorje in light of Scripture and the messages of Fatima and Lourdes All Thursday messages as well as the monthly messages are included until the date of printing
