discover that their mother isn't quite the same woman she was a few years ago. Sure she is still kind hearted and always willing to help but something about their mom is different and it's becoming harder and harder for the family to ignore. For the first time in their lives Dennis and his daughters find themselves caring for Marigold rather than the other way around. Here and Now is a gorgeously evocative novel brimming with characters who are so recognizable they'll walk right off the page and into your heart. This is a novel about what it means to grow up and to grow wise and how the new generation learns to carry family memories and hope into the future.
