Living Praying In Jesus Name:

Living and Praying in Jesus' Name Dick Eastman, Jack W. Hayford, 1988-10 An examination of 31 names and titles of Jesus as revealed in Scripture This book is helpful in understanding the nature and character of Jesus **Desire for God and the Things of God** Wyndy Corbin Reuschling, 2012-09-21 For many Christians spirituality and ethics are in separate mental and experiential compartments Spirituality may be understood as an inner experience while ethics is focused on decisions or positions on issues Both of these views reduce spirituality and morality in Christian faith and practice and ignore the centrality of desire for God and the things of God as key focal points for spiritual and moral formation These aspects of Christian formation must be located in their scriptural and theological contexts in order to understand more fully what God desires for human life This focus on desire provides content and context to Christian spirituality and morality We are drawn outward to focus on God and the good of others while we learn to embody virtues such as compassion courage self control gratitude humility and hope Practices are crucial ways by which we learn to incarnate our ultimate desire of love for God and for what God desires in the pursuit of justice and goodness for all creation In so doing practices enable us to more fully integrate spiritual and moral growth in the processes of our desire for God and the things of God **Living Church** ,1908
