The New Official K53 Manual Clive Gibson, Gavin Hoole, 2013-10-18 The New Official K53 Manual is a comprehensive and effective guide to passing your Learner's Licence and K53 Driver's Licence first time. Covering both light and heavy motor vehicles and motorcycles, each chapter discusses the knowledge and skills expected of you. The learner's section explains the K53 Defensive Driving principles, road signs, and the rules of the road with questions and detailed answers to test your knowledge. At the end of this section, there is a test similar to that compiled by traffic departments. The driver's section explains how candidates are tested and what examiners look out for, with step-by-step instructions on how to perform every manoeuvre in both the yard and road tests. With detailed full-colour illustrations throughout, this is the definitive manual for both the learner's and driver's tests.

Everyone's Guide to South African Law Adriaan Anderson, 2016-07-12 The law affects us all, and even your most basic day-to-day choices and actions have legal implications. This book will provide you with the necessary information on a wide range of legal issues that may impact on your daily life at work, in the home, on the road, in the marketplace, and in the courtroom. Written by experts specifically for the layperson, the book's everyday language is free of obscure legal jargon. It is easily understandable, informative, and essential for each and every household in South Africa. What's new in the 4th edition? This new edition includes new or expanded information on procedures for DNA and other forensic samples, protection from harassment, parental duties and responsibilities, travelling with children, rights to education, fair and unfair dismissals, franchises, developments in property law, electronic fund transfers, the Road Accident Fund, and the law applying to sport.
