Kamloops Recreation Guide:

Crossing Home Ground David Pitt-Brooke, 2016-11-12 Like John Muir David Pitt Brooke stepped out for a walk one morning a long walk of a thousand kilometres or more through the arid valleys of southern interior British Columbia He went in search of beauty and lost grace in a landscape that has seen decades of development and upheaval In *Crossing Home Ground* he reports back providing a day by day account of his journey s experiences from the practical challenges dealing with blisters rain and dehydration to sublime moments of discovery and reconnection with the natural world Through the course of this journey Pitt Brooke s encounters with the natural world generate starting points for reflections on larger issues the delicate interconnections of a healthy landscape and most especially the increasingly fragile bond between human beings and their home places There is no escaping the impact of human beings on the natural world not even in the most remote countryside but he finds hope and consolation in surviving pockets of loveliness the kindness of strangers and the transformative process of the walking itself a personal pilgrimage across home ground *Crossing Home Ground* is a book that though rooted in one specific place and time will evoke a universal sense of recognition in a wide variety of readers It will appeal to hikers natural history enthusiasts and anyone who loves the wild countryside and is concerned about the disappearance of Canada s natural spaces Pitt Brooke s grassland odyssey is sure to become a classic of British Columbia nature writing
