

# The Game of LIFE INSTRUCTIONS

2 to 6 Players • **OBJECT:** Collect money and LIFE Tiles, and have the highest dollar amount at the end of the game.

## SETTING UP

Attach the game parts to the gameboard as shown on the Assembly Sheet.

### LIFE TILES

Each LIFE Tile carries a secret message: a special achievement, and a dollar amount which counts toward your total cash value at the end of the game.

Carefully remove the LIFE Tiles from the cardboard sheet. Place the LIFE Tiles LIFE-side-up near the gameboard and mix them up. Draw 4 tiles and, without looking at the message on the back, stack them LIFE-side-up at Millionaire Estates. The remaining tiles form the draw pile.

### CARDS

Separate the cards into 4 decks: Career Cards, Salary Cards, House Deeds and Stocks. Place each deck facedown near the gameboard.

### INSURANCE POLICIES & BANK LOANS

Separate the Automobile Insurance Policies, Homeowner's Insurance Policies and Bank Loans. Place each pile near the gameboard.

### MONEY

Choose one player to be the banker. This player is in charge of all money paid to and from the bank.

The banker separates the money into piles by denomination, then gives each player \$10,000.

### CARS AND PEGS

Carefully twist the pink and blue pegs off their runners, then discard the runners. Choose a car and fit a people peg into the driver's seat (don't forget to buckle up!). All players do the same.

## GAME PLAY

All players spin the wheel. Highest spinner takes the first turn. Play then continues clockwise.

### WHAT YOU DO ON A TURN

On your turn, spin the wheel. (If the spinner arm stops between numbers, spin again.) Then move your car the number of spaces on the spinner.

Always move your car *forward*, in the direction of the arrows. (Just as in real life, you can't go back in time!) If you land on an occupied space, move ahead to the next open space.

Follow the space directions. This ends your turn.

*Your first turn is an exception. See GETTING STARTED.*

### GETTING STARTED

On your first turn, decide either to start a career, or to start college.

College offers more career and salary options, but it takes time-and it puts you in debt!

#### START CAREER

If you decide to start a career, place your car on the START CAREER space, then do the following:

**Draw a Career Card:** Have another player fan out the Career Card deck facedown, while you draw 1 card at random. NOTE: You may not keep a Career Card that says "Degree Required." If you draw one of these cards, draw again!

**Draw a Salary card:** Now have the same player fan out the Salary Card deck facedown while you draw 1 card.

If you draw these Career and Salary Cards, you'll be a Superstar making \$70,000
