Life Orientation Exam Paper 2013 Grade 11:

Sexuality Education that Prioritizes Sexual Well-Being: Initiatives and Impact Jacqueline Hendriks, Allison Carter, Jessie Ford, 2025-12-01 All children and young people should receive comprehensive sexuality education from a variety of sources that empowers them to develop a positive self identity and provides them with the tools necessary to form healthy relationships and to manage their own sexuality and sexual health The positive impact such education has for the health and well being of individuals communities and societies has been extensively documented in academic literature Despite the strong evidence base the actual provision of sexuality education can vary markedly across settings and countries and may often focus on biology the prevention of violence diseases or pregnancy and the use of fear based or sex negative messaging Contemporary international guidelines and extensive empirical research strongly encourage strengths based models that are sex positive and empower young people to develop healthy relationships and to learn about pleasure and sexual well being Such programs are often ground in human rights and ethical frameworks In reality specific examples of such programs and guidance about implementation are not easily accessible Research and evaluation data may also be limited or not widely shared The intention of this Research Topic is to showcase a variety of evidence based initiatives that prioritize and celebrate sexual well being through education The impact of such programs shall also be explored alongside broader discussions about implementation sustainability replication and scaling We are keen to spotlight initiatives that address a specific sexuality education topic alongside more extensive programs A variety of age groups preK 16 and educational settings e g home school community online are welcome Critically a key attribute of any showcased initiative is that it seeks to provide education via sex positive approaches that address sexual well being sex positivity and or pleasure This Research Topic welcomes research that includes but is not limited to the following scientifically rigorous evaluations of educational interventions empirical examinations of best practice in educational design meta analyses of educational practice innovation or pedagogies barriers and enablers to program implementation sustainability replication and or scale up cross cultural and or cross national studies study protocols Potential topics of interest include but are not limited to Inclusion of young people in educational design How pleasure discourse is contextualized within sexuality education curricula Human rights Implementation challenges Ethical issues Adolescents views on sex and pleasure education The role of digital technology We especially welcome submissions from young people people from key populations and community based organizations We request that submissions adhere to the principles of respectful and stigma free language Creating Engaging Discussions Jennifer H. Herman, Linda B. Nilson, 2023-07-03 If you have ever been apprehensive about initiating classroom discussion fearing silences the domination of a couple of speakers superficial contributions or off topic remarks this book provides strategies for creating a positive learning experience Jennifer H Herman and Linda B Nilson demonstrate how to create the conditions to facilitate deep and meaningful learning as well as to assess the effectiveness of discussions They identify analyze and solve common problems in

both classroom and online discussions and in both small and large classes They take a direct practice oriented approach that in acknowledging common challenges provides principles guidance on design examples of activities and techniques and eight detailed case studies These cases demonstrate successful approaches that faculty across disciplines and from a variety of institutions have adopted in their face to face blended or online courses at the undergraduate or graduate level The case authors begin by describing the original pedagogical challenge they faced and explain how they addressed it and assessed the results of their innovation They also offer practical recommendations to readers who may want to try their strategies Intended for faculty this book will be equally valuable for educational developers who can use this resource in their programs and private consultations At the graduate level this book can serve as a text or workshop resource in college teaching courses and teaching assistant development programs The final chapter provides a set of resources and activities including discussion questions on the case studies writing prompts and jigsaw formats that are equally appropriate for individual study or for use in workshop environments You ll never again have to suffer such a profound silence that as described by a contributor to the book she could hear the crickets chirping outside
