Kangaroo Pilot Ann Gray,2014-12-05 Most people experience a few unpleasant childhood memories but Dani Le Clerc has unusually heavy baggage Her uncle raised her after she witnessed the brutal murder of her mother and twin sister She grows up around her uncle s flight school and by the time she s a teenager she s a pilot Her passion for the skies will lead her to seek romantic love in all the wrong places namely in the arms of a handsome former air force pilot Moss Brogan When Dani finds out she s pregnant with Moss s child she also finds out Moss has lied to her The shock of his deception and a terrible flying accident leave the struggling single mother in dire straits and severely heartbroken As Dani faces life alone with more emotional and physical scars than most people could bear she learns to call on her own strength Her son will follow her into the sky and make her dedication worth it in ways she could have never imagined When Dani comes face to face with the past however she ll need to decide if she s willing to risk her heart for another chance at love Kangaroo
