Abelman reviews legal issues such as copyright law the concept of fair use the provisions of a typical publishing contract defamation and the emergence of privacy law Other chapters discuss stylistic conventions and the preparation of manuscripts theses and dissertations and offer an authoritative and comprehensive presentation of MLA documentation style

#### **History of Intellectual Culture 1/2022** Charlotte A. Lerg, Johan Östling, Jana Weiß, 2022-10-24

With concepts of participation discussed in multiple disciplines from media studies to anthropology from political sciences to sociology the first issue of the new yearbook *History of Intellectual Culture* HIC dedicates a thematic section to the way knowledge can and arguably must be conceptualized as participatory Introducing and exploring participatory knowledge the volume aims to draw attention to the potential of looking at knowledge formation and circulation through a new lens and to open a dialogue about how and what concepts and theories of participation can contribute to the history of knowledge By asking who gets to participate in defining what counts as knowledge and in deciding whose knowledge is circulated modes of participation enter into the examination of knowledge on various levels and within multiple cultural contexts The articles in this volume attest to the great variety of approaches contexts and interpretations of participatory knowledge from the sociological projects of the Frankfurt School to the Uppsala based Institute for Race Biology from the Argentinian National Folklore Survey to current hashtag activism and Covid 19 archive projects HIC sees knowledge as rooted in social and

political structures determined by modes of transfer and produced in collaborative processes The notion of participatory knowledge highlights in a compelling way how knowledge is rooted in cultural practices and social configurations
