The Times Index, 2008 Indexes the Times and its supplements

Fertility, Living Arrangements, Care and Mobility John Stillwell, Ernestina Coast, Dylan Kneale, 2009-06-12 Many parts of the world are experiencing rapid demographic restructuring resulting in an ageing population with increasingly significant work and care pressures on cohorts less able or willing to provide support This book examines some of the important trends that have underpinned reductions in fertility including delayed child bearing and increased childlessness It demonstrates how relationships between partners have resulted in new living arrangements with changing attitudes from marriage to co habitation as the social norm and it considers the health and well being for particular at risk groups such as the elderly and stepparents as well as aspects of mobility such as household migration and commuting to school The book brings together a series of studies that all involve quantitative analyses of secondary data from censuses surveys or administrative records The trends and patterns reported provide new and interesting insights into behaviour of the household and the roles of adults and children and point to questions of critical importance for practitioners and policy makers

Reading Under Control Judith Graham, Alison Kelly, 2015-09-29 Now in an updated third edition this best selling textbook introduces primary teachers to the key issues in how to teach reading The authors celebrate reading as an important exhilarating part of the curriculum with the potential to transform lives whilst also giving a balanced handling of contentious issues Strongly rooted in classroom practice

Primary Education: The Key Concepts Denis Hayes, 2006-05-11 Presenting a balance of theoretical insight and practical advice this text is a clear and accessible guide to the key issues relating to primary education Alphabetically arranged and fully cross referenced to ensure ease of use entries include both curriculum specific terms as well as those that are more generic such as assessment objectives coping strategies differentiation behaviour special needs time management Written by an experienced teacher and lecturer this is a concise yet comprehensive text that takes into account the everyday realities of

teaching Readable and user friendly it is a first class resource for the primary practitioner at all levels Knowledge, Values and Educational Policy Harry Daniels, Hugh Lauder, Jill Porter, 2012-07-26 Knowledge Values and Educational Policy focuses on what schools are for and what should be taught in them how learning is possible across boundaries and issues of diversity and equity Policies and practices relating to schools are also considered Within this volume internationally renowned contributors address a number of fundamental questions designed to take the reader to the heart of current debates around curriculum knowledge transfer equity and social justice and system reform such as What are schools and what are they for What knowledge should schools teach How are learners different from each other and how are groups of learners different from one another in terms of social class gender ethnicity and disability What influence does educational policy have on improving schools What influence does research have on our understanding of education and schooling To encourage reflection many of the chapters also include questions for debate and a guide to further reading Read alongside its companion volume Educational Theories Cultures and Learning readers will be encouraged to consider and think about on some of the key issues facing education and educationists today **Children, Their World, Their Education** Cambridge Primary Review (Organization), 2010 Children Their World Their Education presents the findings and recommendations of the Cambridge Primary Review *Distributed Leadership* Alma Harris, 2009-03-17 Alma Harris The role of school leadership is currently preoccupied with the idea of distributed leadership Few ideas it seems have provoked as much attention debate and controversy Whatever your position on distributed leadership and you cannot fail to have one it is irrefutable that distributed leadership has become the leadership idea of the moment Yet it is an idea that can be traced back as far as the mid 20s and possibly earlier So why the interest Part of the answer can be found in a move away from theorizing and empirical enquiry focused on the single leader This shift has undoubtedly been fuelled by structural changes within schools and across school systems that have resulted in alternative models or forms of leadership practice Evidence highlights how those occupying formal leadership positions are increasingly recognizing the limitations of existing structural arrangements to secure organizational growth and transformation Fullan et al 2007 Harris et al 2008 Chapman et al 2008 As a consequence many heads and principals are actively restructuring realigning and redesigning leadership practice in their school Harris 2008 While the terminology to describe such changes varies the core principle is one of extending or sharing leadership practice While scholars have long argued for the need to move beyond those at the top of organizations in order to examine leadership Barnard 1968 Katz and Kahn 1966 until relatively recently much of the school leadership literature has tended to focus upon the head or the principal **A Dictionary of Education** Susan Wallace, 2008 Education is of relevance to everyone but it involves a specialised vocabulary and terminology which may be opaque or unfamiliar to those new to the field The new UK based Dictionary of Education provides concise and accessible definitions of the terms that anyone studying education or working in the field is likely to encounter Coverage includes all sectors of education pre school primary

secondary and further and higher education adult and continuing education and work based learning as well as major legislation key figures and organizations and curriculum and assessment terminology The Dictionary will include entry level web links updated via a companion web site It includes a fully cross referenced appendix of comparative terms used in the US Canada Australia and other English language speaking countries
