John Constantine, Hellblazer Vol. 4: The Family Man Jamie Delano, Various, 2012-11-20 Collected for the first time in chronological order and featuring stories by fan favorite writer Grant Morrison BATMAN INC FINAL CRISIS and the legendary Neil Gaiman SANDMAN AMERICAN GODS FAMILY MAN continues the arcane adventures of Vertigo's chain smoking magician John Constantine In this volume Constantine attempts a vacation after recent events but as usual things don't go as planned Plus Constantine must uncover the mystery of the murderous Family Man *Vertigo Comics* Isabelle Licari-Guillaume, 2022-08-30 This book explores the so called British Invasion of DC Comics Vertigo imprint which played an important role in redefining the mainstream comics industry in the US during the early 1990s Focusing on British creators

within Vertigo this study traces the evolution of the line from its creation in 1993 to its demise in 2019 Through an approach grounded in cultural history the book disentangles the imprint's complex roots showing how editors channelled the potential of its British writers at a time of deep seated economic and cultural change within the comics industry and promoted a sense of cohesion across titles that defied categories The author also delves into lesser known aspects of the Invasion exploring less canonical periods and creators that are often eclipsed by Vertigo's early star writers An innovative contribution on a key element of comic book history this volume will appeal both to researchers of Vertigo scholarship and to fans of the imprint It will also be an essential read for those interested in transatlantic collaborations and exchanges in the entertainment industry processes of cultural legitimation and cultural hierarchies and to anyone working on the representation of national and social identities
