Re: National Officer Nominations and Election

Enclosed you will find a Nomination Notice and two timelines for the nominations and elections to be conducted to fill three vacant national officer positions.

I have provided two timelines. One to be followed in the event your local receives only one nomination for each office, the other to be followed in the event you receive multiple nominations for an office and need to conduct a runoff election for that nomination.

If you will not be able to comply with these dates please contact me as soon as possible to discuss any necessary adjustments.

If you have any questions please contact me by phone at 404-668-5646.

Berdine,2018-03-30 The Sykes Picot Agreement was one of the defining moments in the history of the modern Middle East
Yet its co creator Sir Mark Sykes had far more involvement in British Middle East strategy during World War I than the
Agreement for which he is now most remembered Between 1915 and 1916 Sykes was Lord Kitchener s agent at home and
abroad operating out of the War Office until the war secretary s death at sea in 1916 Following that from 1916 to 1919 he
worked at the Imperial War Cabinet the War Cabinet Secretariat and finally as an advisor to the Foreign Office The full
extent of Sykes s work and influence has previously not been told Moreover the general impression given of him is at
variance with the facts Sykes led the negotiations with the Zionist leadership in the formulation of the Balfour Declaration
which he helped to write and promoted their cause to achieve what he sought for a pro British post war Middle East peace
settlement although he was not himself a Zionist Likewise despite claims he championed the Arab cause there is little proof
of this other than general rhetoric mainly for public consumption On the contrary there is much evidence he routinely
exhibited a complete lack of empathy with the Arabs In this book Michael Berdine examines the life of this impulsive and
headstrong young British aristocrat who helped formulate many of Britain s policies in the Middle East that are responsible
