In the Shadow of Diagnosis Regina Kunzel, 2024-04-01 A look at the history of psychiatry's foundational impact on the lives of queer and gender variant people In the mid twentieth century American psychiatrists proclaimed homosexuality a mental disorder one that was treatable and amenable to cure Drawing on a collection of previously unexamined case files from St Elizabeths Hospital In the Shadow of Diagnosis explores the encounter between psychiatry and queer and gender variant people in the mid to late twentieth century United States It examines psychiatrists investments in understanding homosexuality as a dire psychiatric condition a judgment that garnered them tremendous power and authority at a time that historians have characterized as psychiatry's golden age That stigmatizing diagnosis made a deep and lasting impact too on queer people shaping gay life and politics in indelible ways In the Shadow of Diagnosis helps us understand the adhesive and ongoing connection between queerness and sickness Journal of the American Institute of Criminal Law and Criminology

, 1925 **List of Works Relating to Criminology** New York Public Library, 1911 *Power Without Constraint* Chris Edelson, 2016-05-11 As a presidential candidate Barack Obama criticized the George W Bush administration for its unrestrained actions in matters of national security In secret Justice Department memos President Bush's officials had claimed for the executive branch total authority to use military force in response to threats of terrorism They set aside laws made by Congress even criminal laws prohibiting torture and warrantless surveillance Candidate Obama promised to restore the rule of law and make a clean break with the Bush approach President Obama has not done so Why In a thorough comparison of the Bush and Obama administrations national security policies Chris Edelson demonstrates that President Obama and his officials have used softer rhetoric and toned down legal arguments but in key areas military action surveillance and state secrets they have simply found new ways to assert power without meaningful constitutional or statutory constraints Edelson contends that this legacy of the two immediately post 9 11 presidencies raises crucial questions for future presidents Congress the courts and American citizens Where is the political will to restore a balance of powers among branches of government and adherence to the rule of law What are the limits of authority regarding presidential national security power Have national security concerns created a permanent shift to unconstrained presidential power

Liberty and Sexuality David J. Garrow, 1998-12-09 The author follows the right to privacy from its beginnings in the attempts to repeal the Connecticut law banning birth control in the 1930s to the 1965 Griswold v Connecticut decision and the 1973 Roe v Wade decision to the present abortion and gay rights cases List of Works in the New York Public Library Relating to Criminology, Pt. [1]-7 New York Public Library, 1911 NLADA Washington Memo, 1972 **Justice for All** Charles MacLean, Adam Lamparello, 2022-03-30 Justice for All identifies ten central flaws in the criminal justice system and offers an array of solutions from status quo to evolution to revolution to address the inequities and injustices that far too often result in courtrooms across the United States From the investigatory stage to the sentencing and appellate stages many

criminal defendants particularly those from marginalized communities often face procedural and structural barriers that taint the criminal justice system with the stain of unfairness prejudice and arbitrariness Systematic flaws in the criminal justice system underscore the inequitable processes by which courts deprive citizens of liberty and in some instances their lives Comprehensive in its scope and applicability the book focuses upon the procedural and substantive barriers that often prohibit defendants from receiving fair treatment within the United States criminal justice system Each chapter is devoted to a particular flaw in the criminal justice system and is divided into two parts First the authors discuss in depth the underlying causes and effects of the flaw at issue Second the authors present a wide range of possible solutions to address this flaw and to lead to greater equality in the administration of criminal justice The reader is encouraged throughout to consider and assess all possible options then defend their choices and preferences Confronting these issues is critical to reducing racial disparities and guaranteeing Justice for all Describing the problems and assessing the solutions Justice for All does not identify all problems or all solutions but will be of immeasurable value to criminal justice students and scholars as well as attorneys judges and legislators who strive to address the pervasive flaws in the criminal justice system

Foundations of Criminal Justice Stephen S. Owen, 2019-07-15 What is law What is deviance What is justice How is justice achieved through law punishment and criminal justice agencies Now in its third edition Foundations of Criminal Justice uses a unique approach that provides students with the framework and the intellectual tools that they will need in order to critically analyze and evaluate the nature sources scope purposes and practical limitations of the criminal justice system This is the only introductory survey text that moves beyond a description of the criminal justice system helping students understand the role of criminal justice in their lives as criminal justice practitioners and as active citizens

The Rise and Fall of the Rehabilitative Ideal, 1895-1970 Victor Bailey, 2019-04-09 Spanning almost a century of penal policy and practice in England and Wales this book is a study of the long arc of the rehabilitative ideal beginning in 1895 the year of the Gladstone Committee on Prisons and ending in 1970 when the policy of treating and training criminals was very much on the defensive Drawing on a plethora of source material such as the official papers of mandarins ministers and magistrates measures of public opinion prisoner memoirs publications of penal reform groups and prison officers the reports of Royal Commissions and Departmental Committees political opinion in both Houses of Parliament and the research of the first cadre of criminologists this book comprehensively examines a number of aspects of the British penal system including judicial sentencing law making and the administration of legal penalties In doing so Victor Bailey expertly weaves a complex and nuanced picture of punishment in twentieth century England and Wales one that incorporates the enduring influence of the death penalty and will force historians to revise their interpretation of twentieth century social and penal

policy This detailed and ground breaking account of the rise and fall of the rehabilitative ideal will be essential reading for scholars and students of the history of crime and justice and historical criminology as well as those interested in social and legal history Bulletin of the New York Public Library New York Public Library,1911 Includes its Report 1896 19

Counterterrorism Between the Wars Mary S. Barton,2020-10-22 Mary S Barton explores counterterrorism in the years between World War I and World War II starting with the attempted assassination of French Prime Minister George Clemenceau in 1919 and taking the story up to and beyond the double assassination of King Alexander I of Yugoslavia and French Foreign Minister Jean Louis Barthou in 1934 In telling the story of counterterrorism over this period Barton gives particular emphasis to Britain s attempts to quell revolutionary nationalist movements in India and throughout its empire and to the Great Powers combined efforts to counter the activities of the Communist International Further to this Barton discusses the establishment of the tools and infrastructure of modern intelligence including the cooperation between the United Kingdom and United States which would evolve into the Five Eyes intelligence alliance She gives weight to forgotten terrorism and arms traffic conventions and explores the facilitating role which the Paris Peace Conference and the League of Nations played in this context The stories told in Counterterrorism Between the Wars play out across the world from the remains of the Austro Hungarian German and Russian empires to the Northwest Frontier and the Bengal Province of British India A century after the Paris Peace Conference of 1919 Counterterrorism Between the Wars is the first comprehensive study to fit together the mass production of weapons during the Great War with the diplomacy of the interwar era and the rise of state sponsored terrorism during the 1920s and 1930s **Federal Sentencing Reporter** ,2003 *Resource Material Series* ,1985 **Current Law Index** ,2004 **Theoretical Issues in Victimology** Israel Drapkin,Emilio Viano,1974 *Victimology: a New Focus: Theoretical issues in victimology* Israel Drapkin,Emilio Viano,1974
