Moving Target Vattas War Two:

Moving Target Elizabeth Moon,2019-09-10 Ky Vatta was a military cadet destined for great things until an act of kindness incurred her Academy s wrath and ended her career Instead of the expected disgrace her rich trader family gave her captaincy of a small ship to sell for scrap In flagrant disregard of orders she saw the opportunity to make a profit and save the ship Several upgrades later Ky is determined to retain the ship and her independence in the cut throat world of interplanetary trading But a threat emerges that challenges even her sharp wits and if she survives could leave the military forever in her debt *Aggressive Fictions* Kathryn Hume,2012-01-15 A frequent complaint against contemporary American fiction is that too often it puts off readers in ways they find difficult to fathom Books such as Bret Easton Ellis s *American Psycho* Katherine Dunn s *Geek Love* and Don DeLillo s *Underworld* seem determined to upset disgust or annoy their readers or to disorient them by shunning traditional plot patterns and character development Kathryn Hume calls such works aggressive fiction Why would authors risk alienating their readers and why should readers persevere Looking beyond the theory based justifications that critics often provide for such fiction Hume offers a commonsense guide for the average reader who wants to better understand and appreciate books that might otherwise seem difficult to enjoy In her reliable and sympathetic guide Hume considers roughly forty works of recent American fiction including books by William Burroughs Kathy Acker Chuck Palahniuk and Cormac McCarthy Hume gathers attacks on the reader into categories based on narrative structure and content Writers of some aggressive fictions may wish to frustrate easy interpretation or criticism Others may try to induce certain responses in readers Extreme content deployed as a tactic for distancing and alienating can actually produce a contradictory effect for readers who learn to relax and go with the flow the result may well be exhilaration rather than revulsion **A Slow Moving Target, the Lst of World War II** Joseph F. Panicello,2002-03-01 Get a transparent view of the celestial afterlife through the eyes of a guardian angel who lived life speaking up with a loud voice Explore how she views the record of a young girl whose life is similar to hers All we inherited in life our voice actions and deeds affect our beginning and end regardless of race religion and gender Every action in life has its destination and every person has the opportunity to use his or her life as an instrument to encourage and empower others to reach their highest potential Each of us will be appointed the same position in the next life we occupy on earth We must find favor in the present life and incorporate it in our souls All of the actions and deeds we choose to produce are considered and recorded by our angel as it will reflect the direction we will travel which is the direction we have chosen So do unto others as you would have them do unto you *The Publishers Weekly* ,2010
