Memo Grade History Paper 1:

A Contemporary History of the U.S. Army Nurse Corps, This book focuses on an organization the U S Army Nurse Corps which the author has been privileged to be affiliated with in one way or another for the greatest part of her adult life As an active duty officer the author had first hand knowledge about the Army Nurse Corps inner workings and spent the last years of her Army career from 1992 researching and writing the Corps history One of her goals in researching and writing this history was to intrigue and provide a sense of gratification for the reader After the conclusion of the Vietnam War several wide ranging and significant changes exerted myriad effects on the Army Nurse Corps The most influential of these phenomena included the dismantling of the Selective Service System the reorganization of the Army the launch of the Health Services Command HSC the opening of the Academy of Health Sciences the transformation of the Office of the Army Surgeon General the inauguration of improvements in the Army Reserve and National Guard and the evolution in the roles and status of women

The History of the U.S. Army Medical Service Corps Richard V. N. Ginn,1997 *The Secret History of MI6* Keith Jeffery,2011-09-27 The authorized history of the world s oldest and most storied foreign intelligence service drawing extensively on hitherto secret documents Britain s Special Intelligence Service commonly called MI6 is not only the oldest and most storied foreign intelligence unit in the world it is also the only one to open its archives to an outside researcher The result in this authorized history is an unprecedented and revelatory look at an organization that essentially created over the course of two world wars the modern craft of spying Here are the true stories that inspired Ian Fleming s James Bond s novels and John le Carr George Smiley novels Examining innovations from invisible ink and industrial scale cryptography to dramatic setbacks like the Nazi sting operations to bag British operatives this groundbreaking history is as engrossing as any thriller and much more revealing Perhaps the most authentic account one will ever read about how intelligence really works The Washington Times
