**Memoirs in Poetry Season of My Life** Josie Sena, 2014-11-19 Seasons of my Life Memoirs in Poetry Seasons of my Life is a part of my life expressed in poetry I believe this topic is important to me and also to the lives of others I believe that every person experiences different phases in their lives times of happiness times of sorrow times of remembering and times of wanting to forget also times of dreaming and a time of awakening I believe that every human being has the desire and the right of human expression I chose to express a portion of my life's journey in the form of poetry I hope those who read my contribution will be inspired to express their journey in their own way As an educator I have seen that self expression through writing and how the spoken word is becoming a lost art Language Art as a subject in the curriculum has been watered down Students today are at a loss when asked to write an essay Texting has become the mode of communication of the day When the student is asked to answer a question pertaining to a specific study the answer is not in the form of a complete sentence but a short brief statement of irrelevant inapplicable and unrelated Perhaps this work will reawaken the need for self expression creativity and imagination I believe that people would like to read this book because as an art dramatic representation seems so old as to be a natural characteristic of the human mind and spirit it seems to be a human trait for social beings to be attracted to the lives of others A worthy example would be the success of the media Reality television shows which is the attraction of the day Soap Operas Novellas books on the lives of others famous and non famous people whichever is in the interest of the public Every person's story is the same in that it is their individual experiences yet different in situation and circumstances The telling of that story provides a kind of catharsis It bridges the gap between our inner self and the listener I have formulated the poetry into Seasons of my life I hope this work is found to be well structured and is found to have some specific characteristics unique of its own also some of the poetry is in English and Spanish in honoring my heritage Josie Sena is a short story author teacher and award winning poet She has been the recipient of the El Portal award at Eastern New Mexico University Portales N M for her short story The Legend of Juan Oso The award was presented to her by the World Renowned Science Fiction Author Jack Williamson The Fiesta Del Llano Arts and Culture Award was awarded her for her writing and presentation of the poem La Semillia que Quedo Entre Los Terremotos The Seed That Fell By The Wayside Her poem What's My Name was published by the National Library of Poetry in the anthology Windows on the World Library of Congress ISBN 0 940863 21 9 She is also recognized as A True New Mexican Poet by the World Renowned New Mexican Author Rudolfo Anaya *Memoirs of a Butterfly* Kira Buckley, 2008-12-27 Memoirs of a Butterfly is a compilation of poetry and prose about Love gained and lost Love in joy and love grieved The brutal honesty of Love in all of its counterparts within the life of this writer's season of infatuation marriage intimacy and separation gives this memoir a unique perspective on the process of healing **The Bookseller and the Stationery Trades' Journal** ,1922
