Negotiating Identities in Contemporary Africa Toyin Falola, Emmanuel M. Mbah, 2023-08-29 *Negotiating Identities in Contemporary Africa* Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

Advancing Africa's Sustainable Development Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

African Womanhood and the Feminist Agenda Musingafi, Maxwell Constantine Chando, Hungwe, Chipo, 2024-01-16 Within academic circles there is a longstanding issue concerning the portrayal and understanding of African womanhood Frequently these narratives are crafted by outsiders predominantly Western scholars often distorting the lived experiences and unique perspectives of African women This has led to a skewed and sometimes negative perception of African women reinforcing stereotypes and sidelining their voices in critical discussions Moreover this misrepresentation has real world consequences as it impacts social justice initiatives and development projects that rely on misguided narratives rather than the authentic voices of African women *African Womanhood and the Feminist Agenda* emerges as an essential solution to the misrepresentation of African women This comprehensive and meticulously researched book offers an alternative narrative one that is rooted in African perspectives and experiences It addresses the historical cultural and political dimensions of African womanhood providing a rich and nuanced understanding of this multifaceted topic

A Comparative Analysis of Higher Education Systems, 2014-01-01 This is a well crafted timely book that comes at a time when so much is happening in higher education

contexts across the world Clearly it is in response to these global and selectively local trends that Kariwo Gounko and Nungu bring together an impressive lineup of both established and emerging scholars who achieve a comprehensive and critically constructed perspective on tertiary education systems Collectively the chapters in this work shall expand the epistemic boundaries of the area and its affiliated disciplines and the book as a whole will greatly benefit interested scholars students education policy makers and the public at large Ali A Abdi Professor University of Alberta This book is a valuable contribution to knowledge on higher education and provides an international perspective on issues challenges and dilemmas resulting from the rapid expansion of higher education The volume is an excellent text that integrates theoretical and analytical studies as well as empirical regional studies It gives some insights on how different countries and regions have been responding to massification and accessing of higher education It will appeal to researchers graduate students and faculty in Higher or Post Secondary Education as well as International and Comparative Education Edward Shizha Associate Professor Wilfrid Laurier University Brantford Campus

Emerging Directions in Doctoral Education Patrick Blessinger, Denise Stockley, 2016-03-30 This volume examines how universities and colleges around the world are developing innovative ways to provide doctoral education including new theories and models of doctoral education and the impact of changes in government and or accreditation policy on practices in doctoral education Kenya Yearbook ,2011
