Letter To A Christian Nation:

Letter to a Christian Nation Sam Harris, 2006-09-19 From the new afterword by the author Humanity has had a long fascination with blood sacrifice In fact it has been by no means uncommon for a child to be born into this world only to be patiently and lovingly reared by religious maniacs who believe that the best way to keep the sun on its course or to ensure a rich harvest is to lead him by tender hand into a field or to a mountaintop and bury butcher or burn him alive as offering to an invisible God The notion that Jesus Christ died for our sins and that his death constitutes a successful propitiation of a loving God is a direct and undisguised inheritance of the superstitious bloodletting that has plagued bewildered people throughout history

Letter to a Christian Nation R. C. Metcalf, 2007 Is Christianity rational Sam Harris best selling author of Letter to a Christian Nation offers a uniquely pointed perspective on Christian America Mr Harris views religion today on the whole as a highly negative component of American culture R C Metcalf presents a compelling counter treatise challenging Mr Harris atheist worldview Raised in an atheist home and trained in secular universities Dr Metcalf now both scientist and Christian speaks out in support of evangelical Christianity in America Does faith inhibit honest science Is Christianity a danger to society Are Christian morals irrational Does evil prove God doesn't exist Are humans good by nature

Letter to a Christian Nation Sam Harris, 2006 A criticism of Christianity from the secularist point of view **Letter to an Atheist** Michael Patrick Leahy, 2007 In this hard hitting and intellectually powerful response to Sam Harris Letter to a Christian Nation Michael Patrick Leahy exposes the intellectual dishonesty behind Mr Harris brand of Christian bashing atheistic evangelism Leahy points out in devastating detail the numerous factual misrepresentations in Mr Harris book for instance debunking Mr Harris outrageous claim that 50% of all Americans believe the universe is only 6 000 years old the facts show the number is 18% at most and dismantles the simplistic solutions proposed by Mr Harris Stop violence by ending all faith Easier to try to stop the ocean tides Limit the rights of Christians to participate in the political process In the name of justice then Harris would oppress Christians creating a world wide second class of citizens Follow the model of fascists in Europe in dealing with the threat of Islamic fundamentalism Even fellow atheist Christopher Hitchens calls such a solution repugnant Seekers of the truth from all faiths should run not walk to their keyboard or local book store and purchase Michael Patrick Leahy's Letter to an Atheist Reviews Finally a strong Christian voice addresses the intellectual dishonesty of atheistic evangelism Christine Schaub best selling author of The Longing Season the story of John Newton and Amazing Grace Michael Patrick Leahy skillfully debunks Harris charge that serious Christians and Islamic radicals should be equally feared He also exposes the bigotry and distortion typically shown by secularists when addressing Intelligent Design More importantly Leahy shows that Harris proposed utopia in which religion is caged and tamed by the secularists has already been shown to produce a world that most do not care to inhabit Ralph Seelke Ph D Professor Biology University of Wisconsin Superior Michael Patrick Leahy's book is a substantive critique of the work of Sam Harris in Letter to a Christian Nation

Leahy shows how wrong minded and frankly lopsided Harris view of reality ends up being Good intellectual stuff Dr Bob Harrington Lead Pastor of Harpeth Community Church Franklin Tennessee A must read for Christians and non Christians who truly seek the truth about the toughest long standing issues confronting humanity Mr Leahy has used a logical step by step reasoned and well referenced approach to engage and refute an attack on Christian positions and principles The material is well worth reading and debating I was especially impressed by the defense of Christians track record in opposing slavery With the recent public attention to the life and contribution of William Wilberforce this chapter could not be more timely Reginald Finger MD MPH Independent medical researcher About the Author Michael Patrick Leahy is a magna cum laude graduate of Harvard and has an MBA from Stanford His professional career has been in technology marketing For more information about the author go to his website at <http://www.michaelpatrickleahy.com> Christian Nation ,1928
