HILSON REAL ESTATE/DUBLIN, CALIFORNIA

DEAR MS. JOHNSON

Letterheads are mostly used in the corporate world to make documents look more professional and put together. They usually contain some contact information about the company and its logo.

The importance of letterheads lies in their purpose. They can be used for writing notices to the public, invoices and letters to your customers, job letters to potential employees, etc. Letterheads contain the name and the logo of the company as well as contact details.

Since companies write important documents mentioned above frequently, it is convenient to have a template that will work for all further pieces of writing. Letterheads are one of your chances to stand out in the industry and be recognizable anywhere with your unique design.

Sincerely,

Maynard Garrett
CEO
