Dear Theodore Lowe,

This is to state that my student Kate Kimberley has applied for the Ph.D. program for her degree in Pharmacy in your institute. I am glad to let you know that Kate has been a brilliant student and consistent performer in my class and I find her totally eligible for the course. She has been excellent in all the assignments she was part of and she made us proud while representing the class in inter-college events. Her deep knowledge about each module is truly commendable and you won't regret on her selection I believe. Academically she has been consistent and also she provided help to other students in their growth. She is a generous and very down to earth person who is always self-motivated. I truly believe Kate will be a great asset to your team.

Thank you.

Your Sincerely,
