Letters From Skye

Robert Louis Stevenson

Letters From Skye:

Letters from Skye Jessica Brockmole, 2013-07-09 A sweeping love story told in letters spans two world wars and follows the correspondence between a water phobic poet on the Scottish Isle of Skye and an American volunteer ambulance driver for the French Army an affair that is discovered years later when the poet disappears **Letters from Skye** Jessica Brockmole, 2014 Elspeth is fond of saying to her daughter that the first volume of my life is out of print But when a bomb hits an Edinburgh street and Margaret finds her mother crouched in the ruins of her bedroom pulling armfuls of yellowed letters onto her lap the past Elspeth has kept so carefully locked away is out in the open The next day Elspeth disappears Left alone with the letters Margaret discovers a mother she never knew existed a poet living on the Isle of Skye who in 1912 answered a fan letter from an impetuous young man in Illinois **At the Edge of Summer** Jessica Brockmole, 2016-05-17 The acclaimed author of Letters from Skye returns with an extraordinary story of a friendship born of proximity but boundless in the face of separation and war Luc Cr pet is accustomed to his mother s bringing wounded creatures to their idyllic ch teau in the French countryside where healing comes naturally amid the lush wildflowers and crumbling stone walls Yet his maman s newest project is the most surprising a fifteen year old Scottish girl grieving over her parents fate A curious child with an artistic soul Clare Ross finds solace in her connection to Luc and she in turn inspires him in ways he never thought possible Then just as suddenly as Clare arrives she is gone whisked away by her grandfather to the farthest reaches of the globe Devastated by her departure Luc begins to write letters to Clare and even as she moves from Portugal to Africa and beyond the memory of the summer they shared keeps her grounded Years later in the wake of World War I Clare now an artist returns to France to help create facial prostheses for wounded soldiers One of the wary veterans who comes to the studio seems familiar and as his mask takes shape beneath her fingers she recognizes Luc But is this soldier made bitter by battle and betrayal the same boy who once wrote her wistful letters from Paris After war and so many years apart can Clare and Luc recapture how they felt at the edge of that long ago summer Bringing to life two unforgettable characters and the rich historical period they inhabit Jessica Brockmole shows how love and forgiveness can redeem us Praise for Jessica Brockmole s Letters From Skye A remarkable story of two women their loves their secrets and two world wars in which the beauty of Scotland the tragedy of war the longings of the heart and the struggles of a family torn apart by disloyalty are brilliantly drawn Publishers Weekly starred review Tantalizing sure to please readers who enjoyed other epistolary novels like The Guernsey Literary and Potato Peel Pie Society Stratford Gazette An absorbing and rewarding saga of loss and discovery Kate Alcott author of The Dressmaker A sweeping and sweet but not saccharine love story USA Today A dazzling little jewel Richmond Times Dispatch A captivating love story that celebrates the power of hope Vanessa Diffenbaugh author of The Language of Flowers The Skye expedition [letters and articles]. Skye Expedition, 1886 **On Wings of Air** Jann Rowland, Lelia Eye, Reader Feedback Eye and Rowland are absolute masters at world creation as demonstrated in this first

novel of what should become a classic fantasy trilogy Though very developed characters and distinct worlds it was easy to read and follow The Book of Celesta is a beautiful gift in the story development Unexpected twists kept me intrigued The story is captivating and follows theatrical structures both familiar and fantastical leading to an ending that is exciting mysterious and unexpected A true tale of high fantasy On Wings of Air maintains many romantic elements exploring real world problems in a fantasy setting which appeals to a wide audience The prince of the Skychildren is exiled from the sky and enslaved by his enemies on the ground In such circumstances how is he to save his kingdom from a madman and the entire world from destruction by a powerful creature created by a goddess And how could love for the princess of the Groundbreathers possibly enter into the picture If you are a fan of Fantasy On Wings of Air is for you Tierra I don't think you quite understand If I found the Fenik there would be nothing you or anyone else here could do to stop me from leaving You said that Fenik was a weapon of sorts In fact the Fenik is the ultimate weapon I should not need to remind you but it appears that I must We are Skychildren We are not barbarians We do not keep slaves and we do not attack defenseless women in the streets We are ruled by honor not by our emotions It is true that we have an eons long dispute with Princess Tierra's people But we have no quarrel with her personally In every way that matters she is the same as we are Come now what are you waiting for Finish me off now and you shall have your victory Immolate both of us in your fire and you shall be free to do as you wish
