Liberty Fraternity Exile Haiti And Jamaica After Emancipation:

Liberty, Fraternity, Exile Matthew J. Smith, 2014-10-20 In this moving microhistory of nineteenth century Haiti and Jamaica Matthew J Smith details the intimate connections that illuminate the conjoined histories of both places after slavery The frequent movement of people between Haiti and Jamaica in the decades following emancipation in the British Caribbean brought the countries into closer contact and influenced discourse about the postemancipation future of the region In the stories and genealogies of exiles and politicians abolitionists and diplomats laborers and merchants and mothers fathers and children Smith recognizes the significance of nineteenth century Haiti to regional development On a broader level Smith argues that the history of the Caribbean is bound up in the shared experiences of those who crossed the straits and borders between the islands just as much as in the actions of colonial powers Whereas Caribbean historiography has generally treated linguistic areas separately and emphasized relationships with empires Smith concludes that such approaches have obscured the equally important interactions among peoples of the Caribbean

Haiti for the Haitians Brandon R. Byrd, Chelsea Stieber, 2023-08-01 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library The world historical significance of the Haitian Revolution is now firmly established in mainstream history Yet Haiti s nineteenth century has yet to receive its due this despite independent Haiti s vital importance as the first nation to permanently ban slavery and its ongoing struggle for sovereignty in the Atlantic World Louis Joseph Janvier 1855 1911 is one of the foremost Haitian intellectuals and diplomats of the late nineteenth and early twentieth centuries His prolific oeuvre offered enduring challenges to racist slanders of Haiti and critiques of the global inequalities that arose from European colonialism and the Transatlantic Slave Trade Through his writings Janvier influenced the international debates about slavery race nation and empire that shaped his era and in many ways remain unresolved today Arguably his most powerful work *Haiti for the Haitians* 1884 provides a searing critique of European and U S imperialism predatory finance capitalism and Haiti s domestic politics It offers his vision of Haiti s future expressed through a remarkable phrase *Haiti for the Haitians* *Haiti for the Haitians* is the first major English translation of Janvier Accompanied by an introduction annotations and an interdisciplinary collection of critical essays this volume offers unprecedented access to this vital Haitian thinker and an important contribution to the scholarship on Haiti s nineteenth century

Haiti in the British Imagination Jack Daniel Webb, 2020-11-25 In 1804 Haiti declared its independence from France to become the world s first black nation state Throughout the nineteenth century Haiti maintained its independence consolidating and expanding its national and at times imperial projects In doing so Haiti joined a host of other nation states and empires that were emerging and expanding across the Atlantic World The largest and in many ways most powerful of these empires was that of Britain *Haiti in the British Imagination* is the first book to focus on the diplomatic relations and cultural interactions between Haiti and Britain in the second half of the nineteenth century As well as a story of British imperial aggression and Haitian

resistance it is also one of a more complicated set of relations of rivalry cultural exchange and intellectual dialogue At particular moments in the Victorian period ideas about Haiti had wide reaching relevancies for British anxieties over the quality of British imperial administration over what should be the relations between the British and people of African descent and defining the limits of black sovereignty Haitians were key in formulating disseminating and correcting ideas about Haiti Through acts of dialogue Britons and Haitians impacted on the worldviews of one another and with that changed the political and cultural landscapes of the Atlantic World

Translingualism, Translation and Caribbean Poetry Hilda Windt Ayoubi, Pieter C. Muysken, 2025-10-01 Linguists estimate that around 7 000 languages exist but many are under threat Translingualism Translation and Caribbean Poetry is a multi language collection comprising over fifty translations of the poem Lenga di mama Mother Tongue by Cura ao born poet Hilda de Windt Ayoubi published here alongside three additional poems each providing a different perspective on the mother tongue De Windt Ayoubi s sharp socially charged poetry has inspired translations from across the world Collected here for the first time they serve to protect the native languages and cultures particularly the minority languages of their translators who range from expert linguists to speakers of underrepresented languages In his accompanying essay Pieter C Muysken considers the role of translation in addressing the urgent cultural concern of language loss and revitalization where he discusses bilingual translations and mass translations Complete with maps language profiles interviews with the translators and the poet s essay on Papiamentu this collection explores the emotional cultural and intellectual importance of language conservation through poetry and translation

The Jamaica Reader Diana Paton, Matthew J. Smith, 2021-04-30 From Miss Lou to Bob Marley and Usain Bolt to Kamala Harris Jamaica has had an outsized reach in global mainstream culture Yet many of its most important historical cultural and political events and aspects are largely unknown beyond the island The Jamaica Reader presents a panoramic history of the country from its precontact indigenous origins to the present Combining more than one hundred classic and lesser known texts that include journalism lyrics memoir and poetry the Reader showcases myriad voices from over the centuries the earliest published black writer in the English speaking world contemporary dancehall artists Marcus Garvey and anonymous migrant workers It illuminates the complexities of Jamaica s past addressing topics such as resistance to slavery the modern tourist industry the realities of urban life and the struggle to find a national identity following independence in 1962 Throughout it sketches how its residents and visitors have experienced and shaped its place in the world Providing an unparalleled look at Jamaica s history culture and politics this volume is an ideal companion for anyone interested in learning about this magnetic and dynamic nation

World War II and the Caribbean Karen E. Eccles, Debbie McCollin, 2017 World War II and the Caribbean focuses on one of the most exciting periods in the history of the region as the Caribbean territories faced incredible upheaval and opportunity during the war years Local operations cultural mores and the region s international image were forever changed by its pivotal role in the war effort The chapters in this volume respond to the need

for information and analysis on the wide ranging impact of the war on territories in the region English French Spanish and Dutch The contributors cover topics such as the economic consequences of wartime activity the food crisis and the decline of the agricultural sector while highlighting the opportunities that arose for industry and enterprise in the Caribbean the accommodations made by the European imperial nations and their attempts to tighten control over their Caribbean territories during the war the intervention of the Americans in the region the social impact of the war the migration of German speaking refugees and other groups and the effects on Caribbean societies of this contact and the impact of the war on public health and the broad spectrum experiences of women as volunteers nurses and sex workers This well researched volume will be of great interest to students and scholars of military and conflict history twentieth century Caribbean history and the general reader

Democracy After Slavery: Black Publics and Peasant Radicalism in Haiti And Mimi Sheller, 2001-02-07 An important work of Caribbean scholarship Clearly written and making skillful use of varied sources this study shows that the struggles of former slaves and their descendants to achieve a real freedom though ruthlessly crushed in the 19th century are central to the continuing process of emancipation and democratization in the Western world O Nigel Bolland Colgate University Mimi Sheller's ground breaking comparative study analyzes the struggle for freedom and democracy in two Caribbean societies in the aftermath of the abolition of slavery Pairing the revolutionary Republic of Haiti with the British colony of Jamaica the author shows how peasants in the 19th century Caribbean developed a radical critique of elite liberalism and constructed an alternative Pan Caribbean African identity Comparing two major peasant rebellions and the relation between them she describes how Haitian and Jamaican survivors of slavery contributed to the making of democracy in the West Scholars of the Caribbean and of postemancipation societies will find this book essential At the same time the issues Sheller addresses on democracy citizenship and subaltern publics will also be useful to the broader communities of sociologists political scientists and students of colonial and postcolonial studies Mimi Sheller is a lecturer in the Sociology Department at Lancaster University in England She is the author of articles in *Theory and Society* *Slavery and Abolition* *New West Indian Guide* and *Plantation Society in the Americas*

Democracy After Slavery Mimi Sheller, 1996
Tree of Liberty Doris Lorraine Garraway, 2008 On January 1 1804 Jean Jacques Dessalines declared the independence of Haiti thus bringing to an end the only successful slave revolution in history and transforming the colony of Saint Domingue into the second independent state in the Western Hemisphere The historical significance of the Haitian Revolution has been addressed by numerous scholars but the importance of the Revolution as a cultural and political phenomenon has only begun to be explored Although the path breaking work of Michel Rolph Trouillot and Sibylle Fischer has illustrated the profound silences surrounding the Haitian Revolution in Western historiography and in Caribbean cultural production in the aftermath of the Revolution contributors to this volume argue that while suppressed and disavowed in some quarters the Haitian Revolution nonetheless had an enduring cultural and political impact particularly on peoples and communities that have been

marginalized in the historical record and absent from the discourses of Western historiography Tree of Liberty interrogates the literary historical and political discourses that the Revolution produced and inspired across time and space and across national and linguistic boundaries In so doing it seeks to initiate a far reaching discussion of the Revolution as a cultural and political phenomenon that shaped ideas about the Enlightenment freedom postcolonialism and race in the modern Atlantic world Contributors A James Arnold University of Virginia Chris Bongie Queen s University Paul Breslin Northwestern University Ada Ferrer New York University Doris L Garraway Northwestern University E Anthony Hurley SUNY Stony Brook Deborah Jensen University of Wisconsin Madison Jean Jonassaint Syracuse University Valerie Kaussen University of Missouri Ifeoma C K Nwankwo Vanderbilt University **A Frail Liberty** Tessie P. Liu,2022-07 A Frail Liberty traces the paradoxical actions of the first French abolitionist society the Soci  t   des Amis des Noirs Society of the Friends of Blacks at the juncture of two unprecedented achievements of the revolutionary era the extension of full rights of citizenship to qualifying free men of color in 1792 and the emancipation decree of 1794 that simultaneously declared the formerly enslaved to be citizens of France This society helped form the revolution s notion of color blind equality yet did not protest the pro slavery attack on the new citizens of France Tessie P Liu prioritizes the understanding of the elite insiders vision of equality as crucial to understanding this dualism By documenting the link between outright exclusion and political inclusion and emphasizing that a nation s perceived qualifications for citizenship formulate a particular conception of racial equality Liu argues that the treatment and status distinctions between free people of color and the formerly enslaved parallel the infamous divide between active and passive citizens These two populations of colonial citizens with African ancestry then must be considered part of the normative operations of French citizenship at the time Uniquely locating racial differentiation in the French and Haitian revolutions within the logic and structures of political representation Liu deepens the conversation regarding race as a civic identity within democratic societies Citizenship from Below Mimi Sheller,2012-05-07 This work starts with a substantial historical account of the different ways that freedom race and gender were intertwined in Jamaica and Haiti after the end of slavery Newly free men and women were rebound into a racialized class order with acceptable and unacceptable forms of masculinity and femininity Sheller traces these histories of racialized and sexualized forms of freedom to the present

You Are All Free Jeremy D. Popkin,2010-08-30 The events leading to the abolition of slavery in the French colony of Saint Domingue in 1793 and in France *Open the Door to Liberty!* Anne F. Rockwell,2009 Describes how an African slave Toussaint L Overture lead his fellow slaves of the island of St Domingue now Haiti to revolt against the white plantation owners to gain their freedom and influence the course of world history **The Political Languages of Emancipation in the British Caribbean and the U.S. South** Demetrius L. Eudell,2003-04-03 This comparative study examines the emancipation process in the British Caribbean particularly Jamaica during the 1830s and in the United States particularly South Carolina during the 1860s Analyzing the intellectual and ideological foundations of postslavery Anglo America

Demetrius Eudell explores how former slaves former slaveholders and their societies central governments understood and discussed slavery emancipation and the transition between the two Eudell investigates the public policies which addressed issues of labor control access to land and the general social behaviors of former slaves used to execute emancipation In both regions government appointed officials special magistrates in Jamaica and agents of the Freedmen s Bureau in South Carolina were crucial in implementing these policies While many former slaves were fighting for the right to be paid for their labor and to own land many officials came to view their role as part of a new civilizing mission whose goal was to eradicate the psychic damage supposedly caused by slavery Eudell concludes by examining the 1865 Morant Bay rebellion in Jamaica and the retreat from Reconstruction in South Carolina part of the larger movement of Redemption that occurred in 1877 Both of these occurrences represented the incomplete victory of emancipation Eudell argues and should provoke scholarly questions regarding the persistent thesis of U S exceptionalism Universal Emancipation Nick Nesbitt,2008 The Haitian Revolution was the first in a modern state to implement human rights universally and unconditionally Going beyond the selective emancipation of white adult male property owners the Haitian Revolution is of vital importance the author argues in thinking today about the urgent problems of social justice human rights imperialism torture and above all human freedom He explores the invention of universal emancipation both in the context of the Age of Enlightenment Spinoza Rousseau Kant Hegel and in relation to certain key figures Ranciere Laclau Habermas and trends such as the turn to ethics human rights and universalism in contemporary political philosophy Freedom's Mirror Ada Ferrer,2014-11-28 Studies the reverberations of the Haitian Revolution in Cuba where the violent entrenchment of slavery occurred while slaves in Haiti successfully overthrew the institution **The Impact of the Haitian Revolution on the Emancipation of Slavery in Jamaica** Dave St. A. Gosse,2004 **An Islandwide Struggle for Freedom** Graham T. Nessler,2016
