Liberty University Essay Ideas:

Culture and Enlightenment Paul Crittenden, 2017-11-22 This title was first published in 2002 Culture and Enlightenment are the two words that best characterise the essence of Gyrgy Markus's career in whose honour this book is published Markus devoted the last twenty years of research towards a theory of cultural objectifications and their pragmatics and the great depth of his knowledge of the history of culture and philosophy informs all his teaching and writing The pursuit of Enlightenment ideals attains reflective self consciousness in Markus works forged in the knowledge of its own historicity of the embeddedness of rationalities in culture and in an awareness of the paradoxes that cling to the conscious affirmation of ideals which are no longer self evident or beyond questioning In taking up the challenge of these paradoxes Markus spans the whole history of modern philosophy and culture with a matchless authority This book draws together contributions from leading figures in contemporary philosophy who are also friends colleagues and former students of Gyrgy Markus The book is divided into two sections the first presents critical assessments of various aspects of Markus wide ranging works the second presents contributions in celebration of his influence and his wide interests In their critical assessment of Markus work and in the demonstration of his influence the contributors hope to convey something of the breadth and something of the excitement of doing philosophy in the company of Gyrgy Markus

The Idea of Democracy in the Modern Era Ralph Ketcham, 2004 Although the last half of the twentieth century has been called the Age of Democracy the twenty first has already demonstrated the fragility of its apparent triumph as the dominant form of government throughout the world Reassessing the fate of democracy for our time distinguished political theorist Ralph Ketcham traces the evolution of this idea over the course of four hundred years He traces democracy's bumpy ride in a book that is both an exercise in the history of ideas and an explication of democratic theory Ketcham examines the rationales for democratic government identifies the fault lines that separate democracy from good government and suggests ways to strengthen it in order to meet future challenges Drawing on an encyclopedic command of history and politics he examines the rationales that have been offered for democratic government over the course of four manifestations of modernity that he identifies in the Western and East Asian world since 1600 Ketcham first considers the fundamental axioms established by theorists of the Enlightenment Bacon Locke Jefferson and reflected in America's founding then moves on to the mostly post Darwinian critiques by Bentham Veblen Dewey and others that produced theories of the liberal corporate state He explains late nineteenth century Asian responses to democracy as the third manifestation grounded in Confucian respect for communal and hierarchical norms followed by late twentieth century postmodernist thought that views democratic states as oppressive and seeks to empower marginalized groups Ketcham critiques the first second and fourth modernity rationales for democracy and suggests that the Asian approach may represent a reconciliation of ancient wisdom and modern science better suited to today's world He advocates a reorientation of democracy that de-emphasizes group or identity politics and restores the wholeness of the civic community

proposing a return to the Jeffersonian universalism that which informed the founding of the United States if democracy is to flourish in a fifth manifestation The Idea of Democracy in the Modern Era is an erudite interdisciplinary work of great breadth and complexity that looks to the past in order to reframe the future With its global overview and comparative insights it will stimulate discussion of how democracy can survive and thrive in the coming era *University Essays in Metaphysics, Moral Philosophy, & English Composition* Charles B. B. M'Laren, 1870 **Essays in Critical Social Theory** Richard Lichtman, 1993 In this collection of essays Richard Lichtman critically analyzes and applies Marx's theory of ideology to a range of philosophical social political and cultural issues Tracing the changes in Marx's theory from an early camera obscura view to a later constitutive position Lichtman shows how the mature theory can be used to understand the function of liberal political theory equal protection and reverse discrimination social theory and finally in a concluding essay the nature of contemporary welfare capitalism and a socialist alternative **Christ as Centre and Circumference** John Warwick Montgomery, 2012-07-23 Endorsements Dr Montgomery's latest book is one that every serious reader interested in clear Christian thinking should have on a table near her most comfortable reading chair It is filled with a wide variety of bite sized essays that are absolutely delightful knowledgeable fun witty and unexpected If you have never read the work of J W Montgomery before you are in for a treat This is a book that brings together his best writing from the past with his latest essays It's a Christian feast of ideas that celebrates our Lord and His unfailing Word Craig J Hazen Ph D Director MA Program in Christian Apologetics Biola University What makes J W Montgomery tick What has driven him over a massively productive career to such wide ranging interests as computers and Chemnitz legal theory and apologetics human rights and Christology Dawkins and Duchamp The answer is clear the gospel of Jesus Christ and its defense articulation and application to the real world in which the Word became flesh died and rose again as the Savior Many of our best confessional era theologians both Lutheran and Reformed were Renaissance men but that's rarely the case today Dr Montgomery is a glaring exception and this book is a wonderful display of that full scope of his remarkable insights While being an ardent defender of the Lutheran confession he is far from parochial Even in places where one might disagree the clarity logic and relentless rigor of his arguments will kindle fires in hearths that we didn't even know we had and make us better advocates for the gospel Dr Michael Horton J Gresham Machen Professor of Systematic Theology and Apologetics Westminster Seminary California About the Contributor's John Warwick Montgomery is Professor Emeritus of Law and Humanities University of Bedfordshire England Distinguished Research Professor of Philosophy and Christian Thought Patrick Henry College Virginia U S A and Director International Academy of Apologetics Evangelism and Human Rights Strasbourg France He holds ten earned degrees besides a Doctorate in Philosophy from the University of Chicago the Doctorat d Universit from Strasbourg France and the LL M and LL D from the University of Cardiff Wales UK A frequent contributor to Christianity Today Dr Montgomery has been honored by inclusion in Who's Who in America Who's Who in France and The Dictionary of
