Clinical expertise is paramount in physical therapy but managing the business side of practice is equally crucial for success. Crafted to meet the specific needs of physical therapy students and professionals, *The Business of Physical Therapy* equips you with the essential non-clinical knowledge and skills to manage the intricate world of business finance, management, communication, and legal aspects of the physical therapy profession. This groundbreaking resource is the first and only text that covers the entire spectrum of non-clinical topics at the required depth. From mastering financial management and optimizing operational efficiency to honing leadership and communication abilities and ensuring legal compliance, this pioneering guide empowers you to thrive in today's competitive healthcare landscape.

Subject Guide to Books in Print, 2001 **Encyclopedia of Business in Today's World** Charles Wankel, 2009-06-12

2009 RUSA Outstanding Business Reference. Business in today's world is increasingly diverse. Undertaking commerce even by an individual can mean working globally through a welter of new media with opportunities of all kinds rapidly appearing. The boundaries, scope, content, structures, and processes of a business activity can morph into completely different ones in the course of a project. Contemporary businesses and certainly future businesses find it incumbent upon them to fit within the requirements of environmental and economic sustainability of the others who inhabit our world. With more than 1,000 entries, the *Encyclopedia of Business in Today's World* is packed with essential and up-to-date information on the state of business in our world. Not only does it reflect where business is, it also conveys the trajectory of business farther into the 21st century. These four volumes provide clear overviews of the important business topics of our time, ranging from culture shock to currency hedging, political risk, offshoring, and transnational corporations. The wealth of topics represent an integrated vision by the editor of a perplexity of functions, technologies, and environmental factors.

Key Features: Provides insight into the development and current business situation globally through articles on many individual countries; Examines the processes, responsibilities, and ethics of business in the global market; Offers entries written by experts from diverse fields; Includes an appendix that looks at World Trade Organization statistics; Presents a vast range of topics including key companies, business policies, regions, countries, dimensions of globalization, economic factors, international agreements, financial instruments, accounting regulations, and approaches, theories, legislation, management practices, and approaches, and much more.
