Reiki 2 Manual Patrick Hamouy, 2022-11-28

Unless your Reiki Master has given you a comprehensive manual, you will be struggling with your Reiki healing and will not be able to help others as much as you should. Reiki 2 introduces three symbols and our manual explains how to use these symbols in great detail. The three symbols are:

- 1 POWER Symbol CHO KU REI

Some ten examples of how to use the Power symbol are given in our manual.

- 2 MENTAL EMOTIONAL Symbol SEI HE KI

Apart from explanations on how to use this symbol for mental and emotional problems, you will be shown how to use this symbol to filter bad vibrations, improve your memory, work on relationships, remove unwanted habits, acquire new wanted habits, and a lot more.

- 3 DISTANCE BRIDGE Symbol HON SHA ZE SHO NEN

HON SHA ZE SHO NEN is used to send Reiki to somebody at a distance. The person may be in the same room, a different room, town or country. You may not even know where they are, which does not matter. Distance is no problem. You could even send Reiki to another being on another

planet if you knew how to identify them Our manual explains how to send Reiki to the future or the past send it to spirits send it to help achieve a goal send it to plants and vegetables send it to a group of people how to beam energy to a person etc

gift for our time The healing stories are too numerous to count but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki In this way Eileen s Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner Written with inspiration and clarity Eileen takes the reader on an amazing journey into the dynamic world of the inner self Like a fresh current of air she presents her material in an appealing and easily digestible manner The uniqueness of Eileen s Reiki training manual lies in her ability to weave the Christ conscious healing dimension into it just as an alchemist would when producing gold In this way Eileen shows how the revered eastern practice of Reiki discovered by Dr Mikao Usui a Japanese Buddhist in the early 20th century can blend perfectly with a Christian heritage of healing where the one enhances the other At the same time she shows how this simple profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone Often people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully Others go away from the treatment or training feeling restored refreshed and renewed Reiki the universal Life Force Energy of God is not a new invention or modern day fad Its roots are planted deep in ancient history In the Old Testament Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes Its worldwide impact can no longer go unnoticed
