Awakening of a Submissive: Dominance, Submission, and the Delicate Arts of Pain and Pleasure (BDSM, Multiple Partners) Jessica Whitethread, 2014-04-21 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play whips humiliation discipline punishment degradation submission and dominance All characters are 18 or older When Annie agrees to accompany her dom to visit an old friend of his in the BDSM scene she does so to make him happy but the prospect of engaging in role play with a strange man terrifies her Her introduction to Christian Fortier and a glimpse of his treatment of the women that live with him in his Cambridge townhouse only intensify her apprehension although other more confusing emotions begin to make themselves known within her as well If she can only open herself to his experienced and almost invasively perceptive control this mysterious figure offers to banish her confusion and show her the depths and rewards of submission beyond anything she has encountered before Excerpt Come here he said his tone very dangerous The woman flinched at the tenor of his voice but edged closer to him I m sorry sir I didn t know you had company sir I But her apologies were cut off with a gasp The man reached out and pushed aside the cup of her bra baring her breast to the room and seizing her tightly by the nipple all in a single fluid motion The woman flinched and sagged biting her lip at the pain Meredith do you know what Sarah does with this the man asked holding the fork before the woman's grimacing face and maintaining his grip on her nipple She whimpered and shook her head Sarah stabs herself with it in the back of the calf Over and over again she does this when she thinks it has been too long since I last spanked her He turned back towards Anderson The woman is an extreme masochist She seems determined to give herself an infection The woman in his grip let out a whimper of pain and the man turned back to her I have told Sarah not to do this he said to her It is not good for her She knows that it makes me very unhappy He twisted his hand and the woman's whimpers increased in volume and pitch and her breath began coming in gasps You say she asked you to bring it out to the kitchen The woman nodded urgently And why did you agree The woman swallowed and answered with difficulty She just asked for a favor sir The man laughed Meredith for all your good qualities you are very easily taken advantage of did you know that Sarah is using you She knows that she will get in trouble if she is seen with it and so she sends you to run the risk instead Yes sir the woman whined I m sorry sir So this is what is going to happen he said I am going to let you go and pretend that this did not happen and the next time you see Sarah with this fork or anything like it you are going to come to me instead Do you understand Yes sir the woman agreed in a strained voice The man twisted further and I saw the woman's hands ball into white knuckled fists as she fought not to cry out Then repeat back to me what I have just asked you You said that the next time I see Sarah with something like the fork I should come and tell you about it sir And that s what you re going to do Yes sir Good The man pulled the woman closer to him and kissed her once on the forehead gave a final squeeze and released her She stumbled back trying to keep herself from clutching at her reddened and slightly puffy nipple Without bothering to cover herself she fled from the room The man

watched her go an unreadable expression on his face She has a good heart that one he said Never intentionally disobedient but I m afraid she does not always exercise good judgment I looked through the doorway the woman had disappeared through and shivered The prospect of this man treating me the same way he had just treated Meredith was more than a little frightening but an undeniable part of me had found that entire exchange very very hot I took a long drink of the wine and turned back to see the man watching me We ll start slower with you Annie he said I wouldn t want you to be too overwhelmed **The Complete Bbw Bdsm Erotica Series** Kate Addario,2016-08-29 The first book in the series The BBW Submissive is a graphic erotica short about a 34 year old very full figured woman named Mary who falls for her neighbor Jack Jack is into extreme domination and requires an open relationship with fertility submission Can Mary handle him In volume two the tables are turned as Mary explores her dominant side and cuckolds Jack Warning For mature readers only Contains graphic content to include BDSM femdom cuckolding anal submission training and fertile and pregnancy erotica

UNVEILED The Secret Submissive Within Michelle Fegatofi, 2013-10-19 This is an in depth comprehensive guide for submissives new to the lifestyle and for those just wanting to broadentheir knowledge more It starts with what a submissive is moves to common terms in BDSM contracts continues on to possible punishments what to look for in a Dominant and ends with a very thorough Limits Worksheet in the back There are many more topics covered but you will have to read further to His to Train: Submissive's Audition (BDSM, Domination, MMF, Public Sex) Jessica discover them Whitethread, 2014-06-21 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play humiliation discipline multiple partners forced exhibition submission and dominance All characters are 18 or older Jennifer's dominant Robert has applied for the two of them to become members in the highly exclusive Tremboix Society a BDSM network of the city's most powerful and influential Though Robert Daniels surely falls within that category he agrees that they must go through the Tremboix s rigorous screening process Rather than questionnaires or resumes the Tremboix uses only one metric to assess potential couples the worthiness of the submissive So it is that Jennifer finds herself standing alone before a gathering of the city's most powerful and sexually dominant men with only one task obey Excerpt Any woman can give in to a little rough sex he went on A firm hand or even a couple tight knots and most women think they ve learned what it is to give in and submit His hand brushed upwards from my hip caressing the side of my breast almost imperceptibly and then ran back down and out over my sensitive stomach He felt me trembling in his hands felt each little automatic response to every contact he made with me The hand rose again and cupped my right breast teasing at the nipple ever so lightly I felt myself thrusting my chest into his hand begging for more substantial stimulation but his hand withdrew in just far enough to maintain its infuriating lightness All the while the other hand worked its delicate touch up my thigh claiming my body as his one inch at a time As he continued to speak his tone became quieter and more seductive almost hypnotic But me I can tell when a woman is truly utterly powerless It doesn't have anything at all to do with ropes The tips of his fingers

brushed the lace of my panties Do you know what I mean Jennifer Yes I gasped I felt paralyzed by need not just his touch but his orchestration He was playing my body and every note seemed to match a perfect harmony I had never listened for before All the while it seemed that the air I breathed was of nothing but his scent issuing me deeper into his world of physical bliss Yes sir I repeated slightly less breathlessly in an attempt to hide my state from the onlookers Jack of course knew precisely what he was doing to me There was no concealing this experience from him I would be safe in his arms his touch told me I could let myself go **Obey Me** Piper Dupree, 2020-03-09 Dominant men Submissive but willful women Spankings Bondage In these seven stories everyone gets what they want especially if they are good And if they re bad well they get even more of what they want If you are into BDSM erotica caring and fair dominant alpha men Yielding Curves: Voluntary Captive (BBW, Dominance, Bondage, Submission) Miranda Cruz, 2014-09-14 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play femdom spanking bondage pegging and anal sex submissiveness and dominance All characters are 18 or older After an intense almost overpowering experience at the hands of the Tremboix Society's mysterious leader Victoria has been offered the opportunity to spend a week with him and begin to explore her true potential as a submissive It means temporary separation from Damien but the allure of what Victoria has tasted is simply too strong to ignore Once reunited with the man whose touch thrills and controls her so perfectly Victoria begins the long road of self discovery rich with challenges and with pleasures as she begins to learn what it is to have a master and just exactly who hers is Excerpt Without turning Jack addressed us And you too Deanna My thanks for seeing Victoria in The girl rose and backed towards the door I know you dislike the task he added before she had left But yours is such a warm personality I couldn t think of having the other girls do it in your place when I want our newest guest to feel welcome She blushed deeply at the compliment her eyes fixed on the floor Thank you Master she said softly He nodded in dismissal and she left Slowly as though he could sense my impatience his deep charcoal eyes turned towards me Victoria he said simply I m glad you could come Master I responded eager to try the new form of address He smiled You ve heard that word have you Good We ll teach you the meaning of that word very thoroughly before you leave here A slight shiver ran down my spine God was I already wet He stood and walked over to me I like a new toy that arrives early in the morning he said There is so much time left in the day to try it out He laid a finger under my chin tilting my face up to meet his With a slight pressure he bid me stand and I rose to my feet my eyes never leaving his You ve been on my mind a very great deal over the past twelve hours he said to me The number surprised me Had it really only been that long I m usually such a patient man he went on sliding a finger beneath the strap of my top just brushing my skin What is it about you that so undermines my self control I trembled slightly at his touch and the tone of his voice His words were deep with intensity and yet I did not believe him for a moment when he said his self control was compromised He seemed to have so much of it that it bled over and controlled me too without him being entirely conscious of it Simply having him standing in front of me looking and touching me was enough to paralyze me

until next he told me to move And all nicely wrapped he murmured I can always tell an outfit chosen with care We ll put these clothes somewhere safe for the week I wouldn t want them to wrinkle His gaze held mine as he began to strip my clothes from me A slight blush rose to my cheeks but I did not break eye contact My God he didn t beat around the bush There was the slightest hint of a challenge in his deliberate movements I am making you naked in front of me his eyes were telling me There is no secret or thought or emotion you possess that I cannot choose to uncover You walked in my door knowing who I was and what I wanted and now you will be utterly mine Yielding Curves: Standards of Obedience (BBW, Discipline, Submission, and Exhibition) Miranda Cruz, 2014-08-04 Reader Advisory This story is for mature audiences only and features intensely erotic situations bdsm play spanking forced exhibition public humiliation submission and dominance All characters are 18 or older Victoria's partner David has always been a gentle and forgiving dominant often indulging her whims and preferring to let her play her part rather than resort to harsh discipline or exploit her naturally trusting ways But Victoria s obedience has begun to slip and David is forced to accept that a change is needed To begin anew he invites a fellow dominant and his submissive to dinner thinking that their much stricter relationship might provide the eye opener he is loathe to inflict directly on his supposedly fragile submissive Victoria is excited at the prospect but soon realizes that the evening will be far more intense than she is prepared for As the night escalates she will find herself torn between her natural reservations and the need to prove herself an equal of the visiting submissive in the eyes of their men In shockingly little time the drive to prove her devotion and obedience will have her doing things she never thought she could do and still falling short Excerpt I looked up Unintentionally my eyes flicked first to the man standing on the threshold His face was dark and intelligent and his cheeks were angular in a very becoming way He wore an immaculate suit and a coat was folded over an arm Quickly I looked away knowing I had permission only to seek out my counterpart I followed the direction the man s hand indicated and took in a beautiful woman slightly larger and perhaps a year younger than me Her hair was dark and tied back and a studded leather collar adorned her throat She wore a tight low cut leather vest and white leather skirt that emphasized the ample curves of her body Her black stockings led down into three inch stilettos I gave her a small smile thinking that it was my role to welcome her into the penthouse She only returned my look with very large eyes and a meek expression that did not seem to acknowledge my existence Show her into the dining room Ewan instructed me David and I have some things to discuss in his office before dinner Yes sir I said I turned and led her out of the entrance hall and around into the dining room Her footsteps were small and clicked quietly on the hardwood floor I went to offer her a chair but when I turned I saw that she had taken a kneeling position on the floor a few steps back from the chair I had offered her Were we not allowed at the table A little taken aback I watched her She was sitting back on her heels with her eyes fixed on the floor in front of her Her posture was stiffly erect and expectant her chest was thrust out and her hands were clasped behind her back Her behavior made me second guess myself I had assumed we would sit at the table but now I didn t want to do anything out of

turn The point of this dinner was to learn after all A little dubious I walked over and lowered myself beside her I did my best to imitate her position as well but looking first at her and then back at myself I found that I couldn t entirely manage it Have you and Ewan been together long I asked feeling a little silly as we knelt together on the floor Joanna did not respond right away She shifted slightly still staring intently at the floor Master says it s wrong to talk to other submissives without his permission she said Oh sorry I said at a loss I cast a sidelong glance at her rigid form Was this what was expected of me Was this the standard I was going to be held to I didn t really know what to make of it She obviously took satisfaction in being this way and I couldn t deny that it turned me on a little bit the way Ewan controlled her completely and unequivocally even in absentia Would I be that way Would I be able to be We waited in silence for maybe twenty minutes I couldn t see a clock but it felt like a very long time Doubts surfaced swirled and then faded only to rise again Opening Bethany Gulliver Noir, Just out of a toxic relationship James finds curvaceous young Bethany more than attractive She s intoxicating The younger sister of a friend's girlfriend the twenty something seems like a perfect balm for his shattered soul Sweet brilliant un jaded The perfect antidote for Helen the girlfriend from hell There's only one catch James isn't interested in a relationship like any he s known before and while Bethany s the smartest most accomplished young woman he s ever met she s not yet fully comfortable in her own skin James is sick of compromises sick of playing games that satisfy no one He s sexually dominant he s discovering and Bethany just may be a perfect natural submissive He knows they should take it slow one step at at time but the look in Bethany's eyes scared yet willing is eating into James soul **Embracing My Submission** Jenna Jacob, 2012-10-29 Haunted for years by dreams of a savage amber eyed Dominant with lips so enticing my soul ached in frustration and lust None of the Dominants at Genesis my local BDSM club ever stirred me in such blistering ways While I tried to fill my submissive desires vicariously through interactions at the club I attempted to convince myself it was enough But it wasn t My dream Dom made certain I hungered for more Forced beyond what I could bear my passion and frustration exploded I threw in the towel determined to stop chasing a dream and gave up completely on finding submissive surrender But fate intervened when two gunshots split the night Forced to confront my desires and insecurities I was shocked to realize that my dreams may have held a deeper meaning Were they compelling me to finally embrace my submission 2 Elegant, 2 Intelligent, Never 2 Submissive Jacqueline Bordeaux, 2018-03 No extremes no craziness all pleasure A Guide for Dominants and Submissives providing both instructions and erotic stories The first Elegant Intelligent Submissive book was a guide of sexual instruction and stories that showed you how sensual this variation of Domination and Submission can be No craziness no nastiness Rough but respectful this style of domination is for elegant intelligent people attracted to tasteful erotica It s for people attracted to the psychological stimulation as much as the physical Book 1 gave you a lot of basics whether you want Domination Submission at a recreational level or as lifestyle This is Book 2 More stories more intense more submissive training less mercy Written so raw you Rewards and Punishments: A BDSM Bundle of Dominance,

want to know how to get the most out of it You ve come to the right place BDSM is a common occurrence that is practiced by millions of people under different parameters Many people are first introduced to the concept of BDSM kinks and fetishes through films television or social media This often leads people to having a skewed understanding of the lifestyle BDSM community and BDSM practices Many people believe that BDSM is in someway perverted or outside the realms of normal adult sexual activity This is not the case however as BDSM can take many different forms The media often portrays BDSM practitioners as untrustworthy and abusive this could not be further from the truth The media portrayal of BDSM often leads people to feel ashamed which leads them to not pursue their BDSM desires It is perfectly normal and healthy to want to be a Dominant or a Submissive within a BDSM relationship It is commonly believed that the relationship between a Submissive and their Dominant has elements of nonconsensual action and that the Submissive will be constantly or occasionally forced to act out sexual scenarios and sexually behave in ways they do not desire It is commonly believed that the Submissive has no power in the relationship and no say on how they are treated This false idea will be challenged explained and explored within this book Within this book you will find a brief overview of what BDSM actually is and how you can apply it into your relationships This book also aims to shine a light on many of the common misconceptions held about BDSM Submissives and Dominants BDSM How To Train Your Dominant A Submissive s Guide To Training Their Dom Without Ruining The Power Dynamic Of Their BDSM Relationship by Maxwell Diamond is an essential gift for any Submissive wanting to take their BDSM relationship to the next level This book can also give a Dominant a good understanding of a Submissive This book includes sections on Consent Pain vs Pleasure Submission Domination Who holds the Power in a BDSM relationship Guidelines on keeping a BDSM relationship productive safe and satisfying Much more A perfect Christmas present for anyone into BDSM naughty sex kinks fetishes and Submission **Submissive fantasy** Erika Sanders, I took a deep breath and slowly blew it out licking my dry lips Had he only been in control for an hour Or at least the option to walk away I heard him moving around the room the TV turning back on realizing he was waiting for me to get comfortable I closed my eyes not that it mattered since I couldn t see through the blindfold anyway Submissive fantasy is a story with strong erotic BDSM content and in turn also belonging to the Erotic Domination collection a series of novels with high romantic and erotic BDSM The Warrior Princess Submissive Michael Makai, 2014-10-03 Ever get the feeling when you read about all the content classic categories of submissive that there must be one missing You know which one we re talking about The missing submissive is the one that is the wicked smart strong willed uber competent ultra competitive synergistic switchy crusader She s no one s doormat never a victim She is a kick ass submissive for the 21st century Think Xena the Warrior Princess kneeling at the feet of Hercules This definitely isn t a woman in a precarious predicament waiting helplessly for her White Knight to arrive and slay a dragon for her This was a woman who as she is kicking the dragon s ass smiles at the White Knight standing on the sidelines and says Hey buddy Feel free to jump right in and lend your sword to this fight Otherwise
