

# How to Write a Good Argumentative Essay

- The **first** step of your essay should outline the main topics and provide the background information necessary to understand your argument.
- The thesis statement is the first part of your paragraph. However, it is a concise and one-sentence summary of your main point.
- **Next**, you have to add the body part, which comprises three or more paragraphs that explain why you support your thesis statement. Moreover, each sentence and paragraph should contain or cover different ideas of evidence and contain a topic sentence that clearly explains why the reader should agree with your position.
- **Lastly**, we must add a conclusion to write a good argumentative essay.
