B. Moto, 2001 Trends in Malawian Literature s departure point is a brief examination of how Malawi s post independence politics affected Malawi literary landscape and an assessment of the early missionaries contribution to early Malawian literature in the local languages That done it discusses messages in the early literature The conclusion drawn is that the early literature in Malawi like most African countries was a potent mouth piece for Christian doctrine and western values Against this background Trends in Malawian Literature assesses the concerns of later writers who although begin to move from the good versus evil dichotomy still emphasize that socially and culturally one is either an sic initially and turns to be good later or vice versa Back cover
