

# UCI UNDERGRADUATE RESEARCH JOURNAL PAPER SUBMISSION GUIDELINES

The *UCI Undergraduate Research Journal* welcomes the submission of manuscripts from all academic disciplines. It is expected that submissions to the *Journal* will be structured according to the established literary conventions of the discipline researched, and that manuscripts will be organized/sectioned in a manner that maximizes both the substance and clarity of the document.

There is no preset number of papers that will be accepted for publication in the *Journal*. All papers that meet our standard of excellence, regardless of how many there are and what disciplines they are from, will be published. If no submitted papers are judged to be worthy of publication, the *Journal* will not be published.

## SELECTION CRITERIA

Regardless of the field of study, all papers published in the *Journal* have these items in common:

- The purpose and significance of the research is described clearly for the *Journal's* multidisciplinary audience.
- The research is original and relevant to its field.
- The research project was well designed and executed.
- The results are thoughtfully interpreted and thoroughly analyzed.
- Conclusions are logically supported through results and cited sources.
- Supporting materials—including illustrations, graphs, and references—reinforce the descriptions and claims made in the text.
- The paper is well written, efficiently organized, and easy to follow.
- The paper is free from spelling, punctuation, grammatical, and other writing errors.

### Journal Submission Deadline

Monday, October 1, 2012
